- (b) costs for matters that are not legal or agent services but are related to a claim for compensation.

Note. Section 337 (3) and (4) of the 1998 Act provide that a law practice or an agent is not entitled to be paid or recover for a legal service or agent service or other matter an amount that exceeds any maximum costs fixed for the service or matter by regulations under section 337.

Subdivision 2 Maximum costs recoverable by law practices and agents in compensation matters

88 Maximum costs recoverable

- (1) The costs that are recoverable, and the maximum costs that are recoverable, for:
 - (a) legal services or agent services provided in or in relation to a claim for compensation, and
 - (b) matters that are not legal services or agent services but are related to a claim for compensation,

are the costs set out in Schedule 6, except as otherwise provided by this Part.

- (2) If there is a change in the law practice or agent retained by a party in or in relation to a claim made or to be made for compensation, the relevant costs are to be apportioned between the law practices or agents concerned.
- (3) If there is a dispute as to such an apportionment, either law practice or agent concerned (or the client) may refer the dispute to the Registrar for determination.
- (4) A law practice or agent has the same right of appeal against a determination made under subclause (3) as the law practice or agent would have under clause 125 if the determination were a determination made by the Registrar in relation to a bill of costs.

Note. Division 3 of Part 4.3 of the *Legal Profession Uniform Law (NSW)* requires a law practice to provide a client with information disclosing the basis on which legal costs will be calculated, and an estimate of the total legal costs, as soon as practicable after instructions are given in relation to any matter.

89 Maximum costs involving medical or related treatment or certain fees for health service providers

In workers compensation matters, the costs that are recoverable, and the maximum costs that are recoverable, in respect of costs of a kind referred to in clause 86 or Part 3 of Schedule 6 are, if section 61 of the 1987 Act or section 339 of the 1998 Act applies in respect of costs of that kind, costs equal to the amount fixed by or by order under the section concerned.

90 Costs not recoverable in certain circumstances (workers compensation matters)

- (1) This clause applies to workers compensation matters.
- (2) No amount is recoverable for costs (including disbursements) other than those referred to in clause 86 or Schedule 6.

- (4) Despite subclause (3), if an appeal is lodged in respect of a claim or dispute, no amount is recoverable for costs for any service or matter (or the relevant aspect of the claim or dispute) unless the appeal is determined, is withdrawn or lapses.

Division 3 Costs recoverable in work injury damages matters

Subdivision 1 Maximum costs recoverable by law practices in work injury damages matters

91 Application of Division

This Division is made under section 337 of the 1998 Act and applies to the following costs payable on a party and party basis, on a law practice and client basis or on any other basis:

- (a) costs for legal services or agent services provided in or in relation to a claim for work injury damages,
- (b) costs for matters that are not legal or agent services but are related to a claim for work injury damages.

Note. Section 337 (3) of the 1998 Act provides that a law practice is not entitled to be paid or recover for a legal service or other matter an amount that exceeds any maximum costs fixed for the service or matter by regulations under section 337.

92 Fixing of maximum costs recoverable by law practices

- (1) The maximum costs for:
 - (a) legal services provided in or in relation to a claim for work injury damages, and
 - (b) matters that are not legal services but are related to a claim for work injury damages,

are the costs set out in Schedule 7, except as otherwise provided by this Part.

Note. The effect of this clause is that a law practice or agent cannot recover any costs in relation to a claim for work injury damages unless those costs are set out in Schedule 7, except as otherwise provided in this Part.

- (2) If there is a change in the law practice retained by a party in or in relation to a claim for work injury damages, the relevant costs are to be apportioned between the law practices concerned.
- (3) If there is a dispute as to such an apportionment, either law practice concerned (or the client concerned) may refer the dispute to the Commission for determination.
- (4) A law practice has the same right of appeal against a determination made under subclause (3) as the law practice would have under clause 125 if the determination were a determination made by the Registrar in relation to a bill of costs.

Note. Division 3 of Part 4.3 of the *Legal Profession Uniform Law (NSW)* requires a law practice to provide a client with information disclosing the basis on which legal costs will be calculated, and an estimate of the total legal costs, as soon as practicable after instructions are given in relation to any matter.

93 Contracting out—law practice/client costs

- (1) This clause applies in respect of costs in or in relation to a claim for work injury damages if a law practice:
 - (a) makes a disclosure under Division 3 of Part 4.3 of the *Legal Profession Uniform Law (NSW)* (sections 174 (4) and 178 excepted) to a party to the matter with respect to the costs, and
 - (b) enters into a costs agreement (other than a conditional costs agreement, under section 181 or 182 of that Law, that provides for the payment of a premium of more than 10% of the costs otherwise payable under the agreement on the successful outcome of the matter concerned) with that party as to those costs in accordance with Division 4 of that Part, and
 - (c) before entering into the costs agreement, advises the party (in a separate written document) that, even if costs are awarded in favour of the party, the party will be liable to pay such amount of the costs provided for in the costs agreement as exceeds the amount that would be payable under the 1998 Act in the absence of a costs agreement.
- (2) Schedule 7 does not apply to the costs concerned to the extent that they are payable on a law practice and client basis.

Subdivision 2 Restriction on awarding of costs

Note. This Subdivision is made under section 346 of the 1998 Act, which provides that a party is not entitled to an award of costs to which that section applies (being costs payable by a party in or in relation to a claim for work injury damages, including court proceedings for work injury damages) except as prescribed by the regulations or by the rules of the court concerned.

In the event of any inconsistency between the provisions of this Regulation and rules of court, the provisions of this Regulation prevail to the extent of the inconsistency: section 346 (4) of the 1998 Act.

94 Costs where claimant no less successful than claimant's final offer

If a claimant obtains an order or judgment on a claim that is no less favourable to the claimant than the terms of the claimant's final offer of settlement in mediation under the 1998 Act as certified by the mediator under section 318B of the 1998 Act, the court is to order the insurer to pay the claimant's costs on the claim assessed on a party and party basis.

95 Costs where claimant less successful than insurer's final offer or insurer found not liable

- (1) If a claimant obtains an order or judgment on a claim that is less favourable to the claimant than the terms of the insurer's final offer of settlement in mediation under the 1998 Act as certified by the mediator under section 318B of the 1998 Act, the court is to order the claimant to pay the insurer's costs on the claim assessed on a party and party basis.
- (2) If a claimant does not obtain an order or judgment on a claim (that is, if the court finds the insurer has no liability for the claim), the court is to order the claimant to pay the insurer's costs on the claim assessed on a party and party basis.

96 Costs in other cases

Except as provided by this Subdivision, the parties to court proceedings for work injury damages are to bear their own costs.

97 Deemed offer where insurer denies liability and no mediation occurs or mediation fails

- (1) If:
- (a) the insurer wholly denies liability, and
 - (b) no mediation occurs, and
 - (c) the claimant obtains an order or judgment on the claim,
- costs are to be awarded in accordance with this Subdivision as if:
- (d) the insurer had made a final offer of settlement at mediation of \$0, and
 - (e) the claimant had made a final offer of settlement at mediation of:
 - (i) in the case where the Commission issued a certificate verifying the matters referred to in paragraphs (a) and (b) and the claimant, within one month of the issue of that certificate, made a subsequent offer of settlement to the insurer—the amount of damages specified in that subsequent offer of settlement, or
 - (ii) in any other case—the amount of damages specified in the pre-filing statement served under section 315 of the 1998 Act.
- (2) If:
- (a) the insurer wholly denies liability, and
 - (b) the matter is referred to mediation, but the matter is not resolved by settlement at the mediation, and
 - (c) the claimant obtains an order or judgment on the claim,
- costs are to be awarded in accordance with this Subdivision as if:
- (d) the insurer had made a final offer of settlement at mediation of \$0, and
 - (e) the claimant had made a final offer of settlement at mediation of:
 - (i) in the case where the claimant, within one month of the conclusion of that mediation, made a subsequent offer of settlement to the insurer—the amount of damages specified in that subsequent offer of settlement, or
 - (ii) in any other case—the amount of the claimant's final offer of settlement in mediation under the 1998 Act as certified by the mediator under section 318B of the 1998 Act.

Note. Persons claiming work injury damages who wish to be awarded costs on a party and party basis should apply to the Workers Compensation Commission for the mediation of the dispute before the matter goes to court. The availability of costs on a party and party basis is subject to the provisions of clause 94 and this clause.

98 Subdivision does not apply to ancillary proceedings

This Subdivision does not apply to costs payable in or in relation to proceedings that are ancillary to proceedings on a claim for work injury damages, and a court is to award costs in such ancillary proceedings in accordance with the rules of the court.

99 Multiple parties

Where 2 or more defendants are alleged to be jointly or jointly and severally liable to the claimant and rights of contribution or indemnity appear to exist between the defendants, this Subdivision does not apply to an offer of settlement unless:

- (a) in the case of an offer made by the claimant—the offer is made to all the defendants and is an offer to settle the claim against all of them, and
- (b) in the case of an offer made to the claimant:
 - (i) the offer is to settle the claim against all the defendants concerned, and

- (ii) where the offer is made by 2 or more defendants—by the terms of the offer the defendants who made the offer are jointly or jointly and severally liable to the claimant for the whole amount of the offer.

bill of costs means a legal bill of costs or an agent bill of costs.

legal bill of costs means a bill for providing legal services given under Part 4.3 of the *Legal Profession Uniform Law (NSW)*.

An assessment of costs is to be made in accordance with, and so as to give effect to, orders of the Commission or a court, the Rules of the Commission or rules of court, Part 8 of Chapter 7 of the 1998 Act, this Part, and Schedules 6 and 7.

Subdivision 2 Assessment of bills of costs between law practice or agent and client

111 Assessment of bills generally

- (1) When considering an application relating to a bill of costs, the Registrar must consider:
 - (a) whether or not it was reasonable to carry out the work to which the costs relate, and
 - (b) whether or not the work was carried out in a reasonable manner, and
 - (c) the fairness and reasonableness of the amount of the costs in relation to that work.
- (2) The Registrar is to determine the application by confirming the bill of costs or, if the Registrar is satisfied that the disputed costs are unfair or unreasonable, by substituting for the amount of the costs an amount that, in his or her opinion, is a fair and reasonable amount.
- (3) Any amount substituted for the amount of the costs may include an allowance for any fee paid or payable for the application by the applicant.
- (4) If a law practice is liable under section 204 (2) of the *Legal Profession Uniform Law (NSW)* to pay the costs of the costs assessment (including the costs of the Registrar), the Registrar is to determine the amount of those costs. The costs incurred by the client are to be deducted from the amount payable under the bill of costs and the costs of the Registrar are to be paid to the Commission.

- (5) The Registrar may not determine that any part of a bill of costs that is not the subject of an application is unfair or unreasonable.

Note. Clause 110 requires an assessment of costs to give effect to the maximum costs set out in Schedules 6 and 7, as well as to other matters.

Section 337 (3) and (4) of the 1998 Act provide that a law practice or an agent is not entitled to be paid or recover for a legal service or agent service or other matter an amount that exceeds any maximum costs fixed for the service or matter by regulations under section 337.

112 Additional matters to be considered in assessing bills of costs

- (1) In assessing what is a fair and reasonable amount of costs, the Registrar may have regard to any or all of the following matters:
- (a) whether the law practice or agent complied with any relevant regulation, Legal Practice Rules or Legal Profession Conduct Rules,
 - (b) in the case of a law practice—whether the law practice disclosed the basis of the costs or an estimate of the costs under Division 3 of Part 4.3 of the *Legal Profession Uniform Law (NSW)* and any disclosures made,
 - (c) any relevant costs agreement (subject to clause 113),
 - (d) the skill, labour and responsibility displayed on the part of the law practice or agent responsible for the matter,
 - (e) the instructions and whether the work done was within the scope of the instructions,
 - (f) the complexity, novelty or difficulty of the matter,
 - (g) the quality of the work done,
 - (h) the place where and circumstances in which the legal services were provided,
 - (i) the time within which the work was required to be done.
- (2) In this clause, ***Legal Practice Rules*** and ***Legal Profession Conduct Rules*** have the same meaning as in the *Legal Profession Uniform Law (NSW)*.

113 Costs agreements not subject to assessment

- (1) The Registrar is to decline to assess a bill of costs if:
- (a) the disputed costs are subject to a costs agreement that complies with Division 4 of Part 4.3 of the *Legal Profession Uniform Law (NSW)*, and
 - (b) the costs agreement specifies the amount of the costs or the dispute relates only to the rate specified in the agreement for calculating the costs.
- (2) If the dispute relates to any other matter, costs are to be assessed on the basis of that specified rate despite clause 111. The Registrar is bound by a provision for the payment of a premium that is not determined to be unjust under clause 114.
- (3) This clause does not apply to any provision of a costs agreement that the Registrar determines to be unjust under clause 114.
- (4) This clause does not apply to a costs agreement applicable to the costs of legal services if a law practice failed to make a disclosure in accordance with Division 3 of Part 4.3 of the *Legal Profession Uniform Law (NSW)* of the matters required to be disclosed by section 174 of that Law in relation to those costs.

114 Unjust costs agreements

- (1) The Registrar may determine whether a term of a particular costs agreement entered into by a law practice and a client is unjust in the circumstances relating to it at the time it was made.

- (2) For that purpose, the Registrar is to have regard to the public interest and to all the circumstances of the case and may have regard to the matters specified in section 172 of the *Legal Profession Uniform Law (NSW)*.
- (3) For the purposes of this clause, a person is taken to have represented another person if the person represented the other person, or assisted the other person to a significant degree, in the negotiations process up to, or at, the time the agreement was made.
- (4) In determining whether a provision of the agreement is unjust, the Registrar is not to have regard to any injustice arising from circumstances that were not reasonably foreseeable when the agreement was made.

115 Interest on amount outstanding

- (1) The Registrar may, in an assessment, determine that interest is not payable on the amount of costs assessed or on any part of that amount and determine the rate of interest (not exceeding the rate referred to in section 195 (4) of the *Legal Profession Uniform Law (NSW)*).
- (2) This clause applies despite any costs agreement or section 195 of the *Legal Profession Uniform Law (NSW)*.
- (3) This clause does not authorise the giving of interest on interest.
- (4) This clause does not apply to or in respect of the assessment of costs referred to in Subdivision 3 (Assessment of party/party costs).

Subdivision 3 Assessment of party/party costs

116 Assessment of costs—costs ordered by court or Commission or subject of agreement

- (1) When dealing with an application relating to costs payable as a result of an order made by a court or the Commission or as a result of an agreement referred to in clause 104 (1) (b), the Registrar must consider:
 - (a) whether or not it was reasonable to carry out the work to which the costs relate, and
 - (b) what is a fair and reasonable amount of costs for the work concerned.
- (2) The Registrar is to determine the costs payable as a result of the order or agreement by assessing the amount of the costs that, in his or her opinion, is a fair and reasonable amount.
- (3) If a court or the Commission has ordered that costs are to be assessed on an indemnity basis, the Registrar must assess the costs on that basis, having regard to any relevant rules of the court or Commission.
- (4) The costs assessed are to include the costs of the assessment (including the costs of the parties to the assessment, and the Registrar). The Registrar may determine by whom and to what extent the costs of the assessment are to be paid.
- (5) The costs of the Registrar are to be paid to the Commission.

Note. Subdivision 2 of Division 3 of this Part limits the circumstances in which costs may be awarded on a party/party basis in relation to a claim for work injury damages.

Clause 110 requires an assessment of costs to give effect to the maximum costs set out in Schedules 6 and 7, as well as to other matters.

117 Additional matters to be considered by Registrar in assessing costs ordered by court or Commission

In assessing what is a fair and reasonable amount of costs, the Registrar may have regard to any or all of the following matters:

- (a) the skill, labour and responsibility displayed on the part of the law practice or agent responsible for the matter,
- (b) the complexity, novelty or difficulty of the matter,
- (c) the quality of the work done and whether the level of expertise was appropriate to the nature of the work done,
- (d) the place where and circumstances in which the legal services were provided,
- (e) the time within which the work was required to be done,
- (f) the outcome of the matter.

118 Effect of costs agreements in assessments of party/party costs

- (1) The Registrar may obtain a copy of, and may have regard to, a costs agreement.
- (2) However, the Registrar must not apply the terms of a costs agreement for the purposes of determining appropriate fair and reasonable costs when assessing costs payable as a result of an order by a court or the Commission.

119 Court or Commission may specify amount etc

This Division does not limit any power of a court or the Commission to determine in any particular case the amount of costs payable or that the amount of the costs is to be determined on an indemnity basis.

Subdivision 4 Enforcement of assessment

120 Certificate as to determination

- (1) On making a determination, the Registrar is to issue to each party a certificate that sets out the determination.
- (2) The Registrar may issue more than one certificate in relation to an application for costs assessment. Such certificates may be issued at the same time or at different stages of the assessment process.
- (3) In the case of an amount of costs that has been paid, the amount (if any) by which the amount paid exceeds the amount specified in any such certificate may be recovered as a debt in a court of competent jurisdiction.
- (4) In the case of an amount of costs that has not been paid, the certificate is, on the filing of the certificate in the office or registry of a court having jurisdiction to order the payment of that amount of money, and with no further action, taken to be a judgment of that court for the amount of unpaid costs, and the rate of any interest payable in respect of that amount of costs is the rate of interest in the court in which the certificate is filed.
- (5) For this purpose, the amount of unpaid costs does not include the costs incurred by the Registrar in the course of a costs assessment.
- (6) To avoid any doubt, this clause applies to or in respect of both the assessment of costs referred to in Subdivision 2 of this Division (law practice/client costs) and the assessment of costs referred to in Subdivision 3 of this Division (party/party costs).
- (7) If the costs of the Registrar are payable by a party to the assessment (as referred to in clause 122), the Registrar may refuse to issue a certificate relating to his or her determination under this clause until the costs of the Registrar have been paid.

- (8) Subclause (7) does not apply in respect of a certificate issued before the completion of the assessment process under subclause (2).

121 Reasons for determination

The Registrar must ensure that a certificate issued under clause 120 that sets out his or her determination is accompanied by:

- (a) a statement of the reasons for the Registrar's determination, and
- (b) the amount of costs the Registrar determines is fair and reasonable, and
- (c) if the Registrar declines to assess a bill of costs under clause 113—the basis for doing so, and
- (d) if the Registrar determines that a term of a costs agreement is unjust—the basis for doing so, and
- (e) a statement of any determination under clause 115 that interest is not payable on the amount of costs assessed or, if payable, of the rate of interest payable.

122 Recovery of costs of costs assessment

- (1) This clause applies when the costs of the Registrar are payable by a party to the assessment (under section 204 (2) of the *Legal Profession Uniform Law (NSW)* or clause 111 or 116 (5)).
- (2) On making a determination, the Registrar may issue to each party a certificate that sets out the costs incurred by the Registrar in the course of the costs assessment.
- (3) The certificate is, on the filing of the certificate in the office or registry of a court having jurisdiction to order the payment of that amount of money, and with no further action, taken to be a judgment of that court for the amount of unpaid costs.
- (4) The Registrar may take action to recover the costs of the Registrar.

123 Correction of error in determination

- (1) At any time after making a determination, the Registrar may, for the purpose of correcting an inadvertent error in the determination:
 - (a) make a new determination in substitution for the previous determination, and
 - (b) issue a certificate under clause 120 that sets out the new determination.
- (2) Such a certificate replaces any certificate setting out the previous determination of the Registrar that has already been issued by the Registrar, and any judgment that is taken to have been effected by the filing of that previously issued certificate is varied accordingly.

124 Determination to be final

The Registrar's determination of an application is binding on all parties to the application and no appeal or other review lies in respect of the determination, except as provided by this Division.

Subdivision 5 Appeals

125 Appeal against decision of Registrar as to matter of law

- (1) A party to an application who is dissatisfied with a decision of the Registrar as to a matter of law arising in the proceedings to determine the application may, in accordance with the Rules of the Commission, appeal to the Commission constituted by a Presidential member against the decision.

- (2) The appeal is to be in the form approved by the Commission and be accompanied by the fee approved by the Commission from time to time.
- (3) After deciding the question the subject of the appeal, the Commission constituted by a Presidential member may, unless it affirms the Registrar's decision:
 - (a) make such determination in relation to the application as, in its opinion, should have been made by the Registrar, or
 - (b) remit its decision on the question to the Registrar and order the Registrar to re-determine the application.
- (4) On a re-determination of an application, fresh evidence, or evidence in addition to or in substitution for the evidence received at the original proceedings, may be given.
- (5) Subclause (1) does not apply to any decision of the Registrar arising in proceedings on an application in respect of the assessment of costs under Schedule 6 unless the decision is made in or in connection with the reference of a dispute to the Registrar under clause 88 (3).

126 Effect of appeal on application

- (1) If a party to an application has appealed against a determination or decision of the Registrar, either the Registrar or the Commission constituted by a Presidential member may suspend, until the appeal is determined, the operation of the determination or decision.
- (2) The Registrar or the Commission may end a suspension made by the Registrar. The court or the Commission may end a suspension made by the court or Commission.

Subdivision 6 Miscellaneous

127 Liability of law practice or agent for costs in certain cases

- (1) The Registrar may act as set out in subclause (2) if it appears to the Registrar that costs have been incurred improperly or without reasonable cause, or have been wasted by undue delay or by any other misconduct or default.
- (2) The Registrar may in the determination:
 - (a) disallow the costs as between the law practice or agent and the law practice's or agent's client, and
 - (b) direct the law practice or agent to repay to the client costs that the client has been ordered by a court or the Commission to pay to any other party, and
 - (c) direct the law practice or agent to indemnify any party other than the client against costs payable by the party indemnified.
- (3) Before taking action under this clause, the Registrar must give notice of the proposed action to the law practice or agent and the client and give them a reasonable opportunity to make written submissions in relation to the proposed action.
- (4) The Registrar must give due consideration to any submissions so made.

128 Referral of misconduct to designated local regulatory authority

- (1) If the Registrar considers that any conduct of a law practice, lawyer or agent involves the deliberate charging of grossly excessive amounts of costs or deliberate misrepresentations as to costs, the Registrar must refer the matter to the designated local regulatory authority (within the meaning of the *Legal Profession Uniform Law (NSW)*).

- (2) For the purposes of the *Legal Profession Uniform Law (NSW)*, the deliberate charging of grossly excessive amounts of costs and deliberate misrepresentations as to costs are each declared to be professional misconduct.
- (3) The Registrar may refer any failure by a law practice or lawyer to comply with a notice issued under clause 108, or with any other provision of this Division, to the designated local regulatory authority (within the meaning of the *Legal Profession Uniform Law (NSW)*).

129 GST may be added to costs

- (1) Despite the other provisions of this Part, a cost fixed by Division 2 (Costs recoverable in compensation matters) or Division 3 (Costs recoverable in work injury damages matters) may be increased by the amount of any GST payable in respect of the service to which the cost relates, and the cost as so increased is taken to be the cost fixed by this Part.

This Part does not apply to legal services or agent services provided in any workers compensation matter involving a claim for compensation or work injury damages by a coal miner, and regulations made under section 59 (1) (a) of the *Legal Profession Uniform Law Application Act 2014* continue to apply to legal services provided in such a matter.

132 Bill of costs to be in approved form

144 Prevention of double allowance for provisional compensation payments

- (1) In this clause:
provisional compensation payment means provisional weekly payment of compensation or provisional payment of medical expenses compensation, under Part 3 of Chapter 7 of the 1998 Act, on the basis of provisional acceptance of liability to a worker.
- (2) For the purposes of paragraphs (a) and (d) of the definition of **cost of claims** in clause 143 (1), if payments are made in respect of a claim pursuant to the 1987 Act and provisional compensation payments have been made in respect of the injury concerned:
 - (a) the provisional compensation payments are, for the purposes of determining the cost of the claim, taken to be payments made by the insurer in respect of the claim pursuant to the 1987 Act and are to be included as such under clause 145, and
 - (b) clause 146 does not apply to those provisional compensation payments, and
 - (c) the cost of those provisional compensation payments is not to be included in the total of the costs of provisional compensation payments under paragraphs (a) (ii) and (d) (ii) of the definition of **cost of claims** in clause 143 (1).

145 Cost of an individual claim

- (1) For the purposes of paragraphs (a) and (d) of the definition of *cost of claims* in clause 143 (1), the cost of an individual claim is (except as provided by subclause (2)) the sum of the following:
- (a) the payments, if any, made by the insurer in respect of the claim pursuant to the 1987 Act or the former Act,
 - (b) the payments, if any, of damages at common law and under the *Compensation to Relatives Act 1897* made by the insurer either in satisfaction of judgments relating to the claim or in settlement of the claim,

- whether the payments were made or the fees, expenses or costs were paid (or the estimation relates to liability that will arise) during or after the injury year or period of insurance in which the injury to which the claim relates was received (or is deemed by the 1987 Act or the former Act to have been received).
- (2) However, the cost of an individual claim:
- (a) does not include any amount calculated by reference to the insurer's costs of administration or profit, and
 - (b) in relation to a policy (other than a retro-paid loss premium policy)—is to be reduced by the amounts, if any, that have been recovered or are recoverable by the insurer from any source, other than an amount recovered or recoverable under section 160 of the 1987 Act, from the Insurers' Contribution Fund or pursuant to a policy of reinsurance, and
 - (c) in relation to a retro-paid loss premium policy—is to be reduced by the amounts, if any, that have been recovered or that, in the opinion of the Nominal Insurer, are recoverable by the insurer from any source, other than an amount recovered or recoverable under section 160 of the 1987 Act, from the Insurers' Contribution Fund or pursuant to a policy of reinsurance, and
 - (d) is to be reduced by:
 - (i) in the case where the injured worker's weekly payment of compensation is less than \$500 or is not known (for example, the claim is for payment of medical expenses compensation only)—\$500 or, if the cost of the claim is less than \$500, that lesser cost, or
 - (ii) in any other case—an amount that is the lesser of the following:
 - (A) the amount that the injured worker is entitled to receive as one week's weekly payment of compensation,

- (3) In this clause, references to the insurer's outstanding liability reasonably likely to arise out of the claim are references to the amount calculated to be sufficient to meet all reasonably likely future payments in respect of the claim, including adjustments (at such rates, if any, as the Authority from time to time determines) to take account of expected future earnings on investments and expected future inflation or deflation on that amount.
- (4) For the purpose of this clause, in the case of a claim in respect of the death of or injury to a person caused by or arising out of a motor accident as defined in the *Motor Accidents Act 1988*:
- (a) the insurer's liability to indemnify an employer in respect of the employer's liability to the claimant independently of the 1987 Act is taken to be limited to the amount of damages (if any) that would be payable if Division 3 of Part 5 of the 1987 Act applied to the award of damages concerned, and
 - (b) the insurer is taken not to be liable for legal costs connected with proceedings under the *Motor Accidents Compensation Act 1999* if damages would not have been payable if that Division applied to that award.
- (5) If the cost of an individual claim exceeds the large claim limit that applied when the injury to which the claim relates was received (or is deemed by the 1987 Act or the former Act to have been received), the cost of the individual claim is the amount of that large claim limit.
- (6) For the purposes of subclause (5) in relation to a policy (other than a retro-paid loss premium policy), the large claim limit specified in Column 2 of the Table to this clause applies to an injury that was received or is deemed to have been received during a year specified in Column 1 of that Table in relation to that limit.
- (7) For the purposes of subclause (5), in relation to a retro-paid loss premium policy, an employer is, before the commencement of the policy, to elect a large claim limit of one of the following amounts to apply to injuries received or deemed to have been received during the period of insurance:

Note. Adjustments of the actual premium for a retro-paid loss premium policy are calculated at the relevant adjustment dates in accordance with the relevant insurance premiums order. Payment is to be made within 1 month after service on the employer of a notice that payment of such an adjustment is due: see section 172 (1) (c) of the 1987 Act.

Employer means the person insured under this Policy, being the person named as the Employer in the Schedule of Employer Particulars.

Insurer means the insurer of the Employer under this Policy, being the person named as the Insurer in the Schedule of Employer Particulars.

period of insurance means the period specified in the Schedule of Employer Particulars as the period during which this Policy is in force, and any subsequent period in respect of which this Policy is duly renewed.

Schedule of Employer Particulars means the Schedule most recently issued by the Insurer to the Employer as the Schedule of Employer Particulars in respect of this Policy.

the Act means the *Workers Compensation Act 1987* and includes the *Workplace Injury Management and Workers Compensation Act 1998*.

worker has the same meaning as in the Act (including the extended meaning it has because of Schedule 1 (Deemed employment of workers) to the Act).

2 Proposal and Schedule form part of Policy

The Proposal is the basis of this contract of insurance. Both the Proposal and the Schedule of Employer Particulars are considered to form part of this Policy.

Part 2 Cover provided by Policy

3 What the Insurer is liable for

The Insurer will indemnify the Employer against all of the following sums for which the Employer becomes liable during or in respect of the period of insurance:

- (a) compensation that the Employer becomes liable to pay under the Act to or in respect of any person who is a worker of the Employer (including any person to whom the Employer is liable under section 20 of the *Workers Compensation Act 1987*),
- (b) any other amount that the Employer becomes liable to pay independently of the Act (but not including a liability for compensation in the nature of workers compensation arising under any Act or other law of another State, a Territory or the Commonwealth or a liability arising under the law of another country) for any injury to any such person (not including liability in respect of an injury, suffered by a person other than such a worker, arising out of any rescue or attempted rescue),

- (c) costs and expenses incurred with the written consent of the Insurer in connection with the defence of any legal proceeding in which any such liability is alleged.

The Insurer will not indemnify the Employer for the Employer's liability for GST payable on the settlement of a claim.

4 Businesses and industrial activities to which Policy applies

This Policy applies to a business or industrial activity described in the Schedule of Employer Particulars. The Employer can change the businesses or industrial activities to which this Policy applies by giving notice of the change in writing to the Insurer. The Schedule of Employer Particulars is taken to have been changed to give effect to any such notice given by the Employer. The premium payable for this Policy is to be adjusted in accordance with any change in the businesses or industrial activities to which this Policy applies.

5 Insurer is directly liable to workers

The Insurer (as well as the Employer) is directly liable to any worker and (if the worker dies) to the worker's dependants or other persons to pay the compensation under the Act or other amount independently of the Act for which the Employer is liable and indemnified under this Policy. This means that a claim can be made and action taken directly against the Insurer.

6 Insurer is bound by judgments etc against Employer

The Insurer is bound by and subject to any judgment, order, decision or award given or made against the Employer, in respect of any liability for which the Insurer is liable to indemnify the Employer under this Policy.

7 Premium

The premium for this Policy is calculated in accordance with the Workers Compensation Market Practice and Premiums Guidelines.

Part 3 Conditions of Policy

8 Employer must give Insurer or the Nominal Insurer notice of injury to worker

The Employer must notify the Insurer or the Nominal Insurer within 48 hours after becoming aware that a worker has received a workplace injury.

9 How notices are to be given

- (1) Notices to be given under this Policy to the Insurer are to be given by being delivered, posted or transmitted electronically to the address of the Insurer last notified to the person giving the notice.
- (2) Notices to be given under this Policy to the Employer are to be given by being delivered, posted or transmitted electronically to the address of the Employer last known to the Insurer.
- (3) The notification of injury required by clause 8 is to be given to the Insurer in the manner required by subclause (1) or in such other manner as the Insurer indicates to the Employer that the Insurer will accept.

10 Employer not to make admissions etc

The Employer must not, without the written authority of the Insurer, incur any expense of litigation, or make any payment, settlement or admission of liability in respect of any injury to or claim made by any worker.

11 Defence of proceedings

The Insurer can use the name of the Employer in respect of anything indemnified under this Policy, including the bringing, defending, enforcing or settling of legal proceedings for the benefit of the Insurer. The Employer must comply with all reasonable requests by the Insurer for information, assistance and documents to enable the Insurer to settle or resist a claim.

12 Subrogation

The Insurer can use the name of the Employer in any proceedings to enforce, for the benefit of the Insurer, any order made for costs or otherwise. The Insurer has the right of subrogation in respect of all rights which the Employer may have against any person or persons who may be responsible to the Employer or otherwise in respect of any claim for any injury covered by this Policy. The Employer must execute such documents as may be necessary for the purpose of vesting any of those rights in the Insurer, as and when required to do so by the Insurer.

13 Precautions to prevent injury

The Employer must take all reasonable precautions to prevent injury.

14 Alterations and repairs following injury

So far as is reasonably practicable, the Employer must not alter or repair any work, machinery, plant, way or appliance after an injury to a worker occurs in connection with it, until the Insurer has had an opportunity to examine it or has consented to the alteration or repair being made.

15 Insurer's right of inspection

The Insurer is entitled to inspect at any reasonable time any work, machinery, plant, way or appliance used in the Employer's business or industrial activity.

16 Assignment

An assignment of interest under this Policy does not bind the Insurer unless the written consent of the Insurer to the assignment has been obtained.

17 Renewal of Policy

This Policy is renewed on the expiration of the current period of insurance to which it applies, except where:

- (a) the Employer has given written notice to the Insurer (before the expiration of the current period of insurance) that renewal is not required, or
- (b) the Insurer has given the Employer notice in writing not less than 14 days before the expiration of the current period of insurance that the Insurer refuses to renew the Policy, but the Insurer cannot refuse to renew this Policy unless the Authority has given its prior consent in writing to the refusal.

The period of each renewal is 12 months, or such shorter period as the Insurer and the Employer agree to before renewal.

18 Cancellation of Policy

The Insurer may cancel this Policy at any time if the Insurer has first obtained the written consent of the Authority (and cannot cancel this Policy in any circumstances without that consent). The Insurer cancels this Policy by giving notice of cancellation in writing to the Employer. The cancellation takes effect on the cancellation day notified in the notice of cancellation but that day must not be less than 7 days after the notice of cancellation is given to the Employer. Section 184 of the 1987 Act applies as if the Policy had been cancelled under that section.

19 No waiver or alteration

A provision of this Policy cannot be waived or altered unless the consent of the Insurer has been previously obtained and signified by endorsement on this Policy.

20 Employer must tell Insurer if unable to give suitable work requested by injured worker

If a worker employed by the Employer is partially incapacitated for work as a result of an injury and requests the Employer to provide suitable employment for him or her and the Employer does not immediately provide suitable employment, the Employer must promptly notify the Insurer of the following:

- (a) the fact of the worker's request and that the Employer has not provided suitable employment,
- (b) any proposal to provide or arrange for suitable employment for the worker, having regard to the certificate of capacity which the worker supplies and to the Employer's return-to-work program (if any) or otherwise.

21 Employer must advise change of business or industry

The Employer must notify the Insurer, as soon as practicable, of any change in the business or industrial activity carried on by the Employer.

22 Records to be kept of wages

The Employer agrees to allow the Insurer to inspect the records kept by the Employer under section 174 of the 1987 Act.

Note. Section 174 of the 1987 Act requires the Employer to keep certain records (such as records of wages paid to workers) and requires the Employer to keep those records for at least 5 years. The section gives the Authority certain rights to inspect those records.

23 Cover conditional on Employer complying with Policy, Act and regulations

The indemnity provided by this Policy is conditional on compliance by the Employer with the provisions of this Policy, the Act and the regulations under the Act.

24 Act and regulations form part of Policy

This Policy is subject to the provisions of the Act and the regulations under the Act and those provisions are taken to form part of this Policy.

Notes.

- 1 *Recovery of excess from Employer.* Under section 160 of the 1987 Act, the Employer is required to repay the prescribed excess amount, as specified by the Workers Compensation Market Practice and Premiums Guidelines, in respect of each claim for weekly compensation paid by the Insurer.

An Employer is not required to make the repayment to the extent that the Insurer either offsets the amount against compensation duly advanced by the Employer to the claimant worker or makes an appropriate debit against any amount standing to the Employer's credit for premiums.

- 2 *Domestic etc workers.* If this Policy is issued for domestic or similar workers (including when this Policy forms part of a household insurance package) it is to be read as if:

- (a) the reference to the Employer carrying on business were a reference to the Employer employing domestic or similar workers, and
 - (b) the provisions in clause 4 for the Employer to notify a change of business or industrial activity were omitted, and the provisions of clauses 17 (Renewal of Policy) and 21 (Employer must advise change of business or industry) were omitted.
- 3 *Workplace injury management.* The Employer of an injured worker who has been totally or partially incapacitated for work has certain obligations under Chapter 3 of the *Workplace Injury Management and Workers Compensation Act 1998*, including an obligation under section 49 to provide suitable employment if the worker is able to return to work. It is a condition of this Policy that the Employer must comply with the requirements of that Chapter, but only if the Insurer has taken appropriate steps to ensure that the Employer is made aware of those obligations.

Schedule 6 Maximum costs—compensation matters

Part 1 Application and operation of Schedule

1 Introduction

- (1) This Schedule applies to:
 - (a) workers compensation claims and disputes that are resolved before proceedings are commenced in the Workers Compensation Commission (the **Commission**) (in certain circumstances), and
 - (b) disputes that are resolved after proceedings have been commenced in the Commission.
- (2) When a claim or dispute is resolved, law practices or agents representing the parties will need to determine what type of resolution has been reached and when it was resolved. By applying these factors to this Schedule, the law practices or agents will be able to ascertain the costs recoverable.
- (3) If a claim or dispute involves a number of resolution types that are resolved concurrently, or within a specified time frame, the costs recoverable are restricted to the resolution for which the highest amount of costs is payable.
- (4) The recoverable costs will be either:
 - (a) a maximum flat, predetermined figure, or
 - (b) in the case of certain “special resolutions”, a maximum amount establishing a range within which the parties may negotiate their costs entitlement.
- (5) If a claim or dispute (other than a claim or dispute resolved by special resolution) includes “additional legal services” or involves “factors” as referred to in Table 4, there may be an additional allowance that can be added to the entitlement to costs.
- (6) Part 3 determines regulated disbursements. Unregulated disbursements as identified by clause 86 of the *Workers Compensation Regulation 2016* may be determined in accordance with the *Legal Profession Uniform Law (NSW)*, or if that Law does not apply, then principles of fairness and reasonableness apply. Disbursements that are neither regulated under Part 3 nor specified in clause 86 of the *Workers Compensation Regulation 2016* are not recoverable, subject to clause 17 (Recovery of certain charges for certain documents from public authorities) of this Part.
- (7) This Schedule contains three Parts:
 - (a) Part 1 contains definitions, describes how the Tables operate and in some cases modifies the operation of the Tables.
 - (b) Part 2 contains four tables:
 - (i) Table 1 sets out the phases at which claims and disputes may be resolved and the costs that apply for the resolution at each phase.
 - (ii) Table 2 sets out the types of resolutions that apply to Table 1, and indicates the level of costs (ie 75% or 100%) that will apply to that resolution type.
 - (iii) Table 3 sets out alternate or “special” resolution types and the applicable costs for each party. Tables 1 and 2 do not apply to these “special” resolution types.
 - (iv) Table 4 sets out additional legal services and other factors that may result in an increase to the costs claimable under Table 1.
 - (c) Part 3 lists regulated disbursements.

scheme agent has the same meaning as in the 1987 Act.

self-insurer has the same meaning as in the 1987 Act.

specialised insurer has the same meaning as in the 1987 Act.

Table means a Table in Part 2.

teleconference means a telephone conference conducted by the Registrar or the Commission.

the 1926 Act means the *Workers' Compensation Act 1926*.

- (2) **Meaning of “resolved”—claimant**

For the purposes of this Schedule, a claim or dispute is resolved, in relation to a claimant, if:

- (a) the claim or dispute is wholly or partly resolved in the claimant's favour, or
- (b) an application brought by an insurer in relation to the claim or dispute is successfully defended in whole or in part,

but does not include a matter discontinued, withdrawn, dismissed or struck out without any resolution referred to in paragraph (a) or (b) unless otherwise ordered or certified for the purposes of cost recovery by the Commission or the Registrar.

- (3) **Meaning of “resolved”—insurer**

For the purposes of this Schedule, a claim or dispute involving a claimant is resolved, in relation to an insurer, if:

- (a) the claim or dispute is concluded, or
- (b) an application brought by the insurer in respect of the claim or dispute is concluded,

unless otherwise ordered or certified for the purposes of cost recovery by the Commission or the Registrar.

- (4) **Meaning of other compensation claim or dispute in Table 1**

A reference in Table 1 to an **other compensation claim or dispute** (or **other compensation dispute**) is a reference to a claim or dispute (or a dispute) concerning compensation to which the resolutions in items 5–16 of Table 2 relate.

Note. The purpose of this subclause is to make it clear that the successive use of the word “other” in Table 1 does not result in successive narrowing of the terms used.

3 Overall application of Schedule

- (1) This Schedule is to be read and applied in its entirety, and accordingly this Schedule applies in relation to costs in accordance with:
 - (a) the descriptions contained in Tables 1 to 4, and
 - (b) the notes in Part 2, and
 - (c) Parts 1 and 3.
- (2) This Schedule prescribes the maximum costs recoverable in respect of work carried out to achieve the resolution types described in Tables 2 and 3 for:
 - (a) resolving claims and disputes before an application is accepted by the Registrar for registration, or
 - (b) resolving disputes after an application is accepted by the Registrar for registration.

4 General application of Tables

(1) General resolution types

The maximum amount of costs for the resolution of a claim or dispute as described in Table 2 is the amounts set out in:

- (a) column 1 or 2 of Table 1 for the claimant, and
- (b) column 3 or 4 of Table 1 for the insurer,
for the applicable phase.

However:

- (a) that maximum amount may be decreased by an amount already received under an entitlement from Table 3 in circumstances specified in that Table, and
- (b) that maximum amount may be increased by an entitlement under Table 4 in circumstances specified in that Table.

(2) Special resolution types

The maximum amount of costs for the resolution of a claim or dispute as described in Table 3 is the amounts set out in that Table.

(3) Additional legal services or other factors—general

The maximum amount of costs for an additional legal service or other factor in respect of a resolution as described in items 1–5 of Table 4 is up to the amount or percentage of costs set out in:

- (a) columns 1 and 3 of items 1–4 of Table 4 for the claimant, and
- (b) columns 2 and 4 of items 1–4 of Table 4 for the insurer, and
- (c) column 1 of item 5 of Table 4 for the claimant, and
- (d) column 2 of item 5 of Table 4 for the insurer.

Accordingly and for the avoidance of doubt:

- (a) an entitlement to costs under item 1, 2 or 3 of Table 4 as certified by the Commission or the Registrar may be added to the costs recoverable under item B, D, E or F of Table 1, and
- (b) an entitlement to a percentage increase in costs ascertained under item 4 or 5 of Table 4 and as certified by the Commission or the Registrar applies to increase the costs claimable under item D, E or F of Table 1, and
- (c) an entitlement to costs under item 1, 2 or 3 of Table 4 as certified by the Commission or the Registrar is recoverable by an insurer in respect of a

resolution referred to in item B of Table 1 even though no costs may be recoverable by the insurer under that item.

(4) **Additional legal services or other factors—multiple respondents or lead scheme agent**

The maximum costs for an additional legal service or other factor as described in items 6 and 7 of Table 4 are up to the percentage applicable for the claimant and insurer as specified.

Accordingly and for the avoidance of doubt, an entitlement to a percentage increase in costs ascertained under items 6 and 7 of Table 4 applies to increase the costs claimable under items A to F of Table 1.

(5) **Table 4 costs not separately claimable**

Except as referred to in subclause (3) (c), costs specified in Table 4 are recoverable only if costs as described in Table 1 are also recoverable.

5 When Table 1 costs recoverable

Costs specified in clause 4 of this Part are recoverable only on resolution of the claim or dispute concerned.

6 Special provisions for Table 1 costs—dispute about permanent impairment and pain and suffering

(1) An exception to the standard method of determining the appropriate Table 1 costs for a claimant and an insurer based upon the meaning of “resolved” under clause 2 of this Part and the types of resolutions set out in Table 2 applies, where:

- (a) a claimant has made an application to the Commission to resolve a dispute about permanent impairment and pain and suffering pursuant to sections 66 and 67 of the 1987 Act, and
- (b) the section 67 claim has been substantiated by:
 - (i) a report, from a medical specialist with qualifications and training relevant to the body system being assessed who has been trained in the NSW Workers Compensation Guidelines for the Evaluation of Permanent Impairment, to the effect that the claimant has sustained 10% or more whole person impairment where:
 - (A) the injury was sustained on or after 1 January 2002, and
 - (B) that report has been served on the insurer, or
 - (ii) a medical report to the effect that the claimant has sustained a loss or losses of 10% or more of the maximum amount referred to in section 66 (1) of the 1987 Act where:
 - (A) the injury was sustained before 1 January 2002, and
 - (B) that report has been served on the insurer, and
- (c) the medical assessment certificate issued by an approved medical specialist or a Medical Appeal Panel is to the effect that the degree of whole person impairment of the claimant is below 10% or the loss or losses are not 10% or more of the maximum amount referred to in section 66 (1) of the 1987 Act.

(2) In a case to which subclause (1) applies:

- (a) the claimant is entitled to maximum costs in the amount of \$4,000, and
- (b) the insurer is entitled to maximum costs in the amount of \$1,875.

- (3) In this clause:

Medical Appeal Panel means an Appeal Panel constituted under section 328 of the 1998 Act.

Note. The deduction in respect of an advice to an insurer under item F of Table 3 applies to this costs provision.

7 When Table 3 costs recoverable, and reduction of subsequent Table 1 costs

(1) When Table 3 costs recoverable

Costs specified in Table 3 as “Special Resolution Types” are recoverable only:

- (a) on resolution of the dispute in respect of items A, B and C of that Table, or
- (b) on registration of the agreement with the Commission in respect of item D of that Table, or
- (c) when an existing decision of the insurer has been varied as a consequence of a legal service, where it was reasonable to carry out that service in respect of item E of that Table, or
- (d) when written advice has been provided to the insurer in respect of item F of that Table, or
- (e) when independent legal advice has been given to a claimant in respect of a complying agreement proposed by an insurer in respect of item G of that Table.

(2) Reduction of subsequent Table 1 costs

The costs referred to in subclause (1) are not payable or recoverable in conjunction with any other items in this Schedule (with the exception of disbursements under Part 3 or disbursements specified in clause 86) with the result that:

- (a) if costs have been recovered in respect of item A, B or C of Table 3 and costs subsequently become recoverable under Table 1 in respect of a resolution that relates to the same issue, the entitlement to costs under Table 1 is to be reduced by any payment already made in respect of item A, B or C of Table 3, and
- (b) if costs have been recovered in respect of item E of Table 3 and costs subsequently become payable under Table 1 in respect of a resolution that relates to the same issue, the entitlement to costs under Table 1 is to be reduced by any payment made in respect of item E of Table 3, and
- (c) if costs have been recovered in respect of item F of Table 3 and costs subsequently become payable under Table 1 in respect of a claim or dispute relating to the issue addressed in the written advice, the entitlement to costs under Table 1 is to be reduced by any payment made in respect of item F of Table 3 (but the maximum reduction is the amount paid for the first such advice), and
- (d) if costs have been recovered in respect of item G of Table 3 and costs subsequently become payable under Table 1 in respect of a claim or dispute relating to the issue addressed in the complying agreement, the entitlement to costs under Table 1 is to be reduced by a payment made in respect of item G of Table 3.

(3) Subclause (2) (c) does not apply where:

- (a) payment was for advice given on issues that are not in dispute and thus are not part of the Table 1 resolution, in which case there is to be no deduction, or
- (b) a period of more than 12 months has elapsed between the giving of the advice and the Table 1 resolution, or

- (c) the Registrar, on application, determines that the need for the costs to be incurred for the Table 1 resolution could not have been foreseen at the time that costs for the advice were first incurred.

No costs are payable or recoverable in respect of an application for the purposes of paragraph (c).

- (4) Subclause (2) (d) does not apply where a period of more than 12 months has elapsed between the giving of the advice in respect of the complying agreement and the Table 1 resolution.

8 Maximum payable where more than one resolution type

- (1) Subject to clause 7 of this Part, where the resolution includes more than one resolution type in Table 2, or includes resolution types in Tables 2 and 3, the following provisions apply:
 - (a) in relation to a claimant:
 - (i) if all resolutions fall within column 1 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (ii) if all resolutions fall within column 2 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (iii) if resolutions fall within both columns 1 and 2 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (iv) if resolutions fall within both Tables 1 and 3, the single highest amount claimable for a resolution is payable, once only,
 - (b) in relation to an insurer:
 - (i) if all resolutions fall within column 3 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (ii) if all resolutions fall within column 4 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (iii) if resolutions fall within both columns 3 and 4 of Table 1, the single highest amount claimable for a resolution is payable, once only, or
 - (iv) if resolutions fall within both Tables 1 and 3, the single highest amount claimable for a resolution is payable, once only.
- (2) Where subclause (1) applies and additional legal services or other factors set out in Table 4 are also claimable, the Table 4 items are payable up to the highest rate claimable, once only.

9 Maximum payable where more than one claim or dispute

- (1) If more than one claim or dispute is resolved in respect of a particular injury, the maximum costs recoverable, regardless of how many resolution types there are, is the maximum as set out in clause 8 of this Part.
- (2) Subclause (1) does not apply if:
 - (a) a period of more than 12 months has elapsed between each successive resolution in respect of the injury, or
 - (b) the Commission or the Registrar, on application, orders that the resolutions are to be treated as separate resolutions for the purposes of the calculation or assessment of costs.

No costs are payable or recoverable in respect of an application for the purposes of paragraph (b).

10 Maximum payable covers all work

The costs allowed under:

- (a) Table 1 in column 1, 2, 3 or 4 for each type of general resolution, and
- (b) Table 3 for each type of special resolution, and
- (c) Table 4 for additional legal services or other factors,

cover all work performed in the course of the claim, dispute, legal service or factor. This includes but is not limited to conferences, seeking a review of the claim, completing all necessary preparation and documentation, appearances and advocacy, executing and lodging settlement documents, reviewing the determination of the Commission and concluding attendances.

11 Determination of maximum payable where an upper limit is set

If Table 3 or 4 or Part 3 sets an upper limit for the maximum payable by way of any costs, the maximum payable is to be an amount determined, within the range from and including nil to and including the upper limit, by reference to:

- (a) any applicable practice direction or Registrar’s guideline, and
- (b) subject to paragraph (a), the nature and extent of the service performed.

12 Table 2—resolution after teleconference and before further attendance

Where the Commission or the Registrar issues a determination in respect of a resolution type in Table 2, following the initial teleconference and before any further attendances, the costs in relation to that resolution fall within item D of Table 1.

13 Table 3—orders

For the purposes of Table 3, the Commission or the Registrar may make an order declaring that a particular proceeding is in respect of the resolution of “other proceedings” as referred to in item C of that Table.

14 Special provisions for Table 1 and Table 3 costs—legal advice to claimant on complying agreement

- (1) Costs are not recoverable under item A of Table 1 in respect of independent legal advice given to a claimant in respect of a complying agreement proposed by an insurer, if the only service provided to the claimant relates to the giving of that advice.
- (2) Costs are not recoverable under item G of Table 3 in respect of independent legal advice given to a claimant in respect of a complying agreement proposed by an insurer, unless the only service provided to the claimant relates to the giving of that advice.

Note. Section 66A (6) of the 1987 Act provides that nothing in section 66A prevents a complying agreement from containing provision as to the payment of costs. Accordingly, a complying agreement may provide for the payment of costs, but the maximum recoverable is subject to Part 2.

15 Country/interstate loadings—Part 3

Country or interstate loadings (including travel and accommodation expenses) are payable in accordance with clause 3 or 4 (as relevant) of Schedule 1 to the *Motor Accidents Compensation Regulation 2015*, and the provisions of those clauses apply, with any necessary modifications and with any modifications contained in a practice direction or Registrar’s guideline, for that purpose.

16 Certain agents not entitled to costs

- (1) No amount is recoverable for costs by an agent who is not an agent as defined in section 356 (6) of the 1998 Act, with the result that the agent is not entitled to be paid or recover any amount for the service or matter concerned.
- (2) Nothing in this clause prevents an agent who is a law practice from being entitled to be paid or recover any costs.

17 Recovery of certain charges for certain documents from public authorities

Nothing in this Regulation (including this Schedule) prevents the recovery, as a disbursement, of the fee or charge set for any of the following reports, certificates, searches or services by the agency concerned in a claim in respect of a particular injury:

- (a) a report from a coroner, the NSW Police Force or Roads and Maritime Services relevant to the claim,
- (b) a land title search from Land and Property Information NSW relevant to the claim,
- (c) a certificate from the Registry of Births, Deaths and Marriages relevant to the claim,
- (d) an application under the *Government Information (Public Access) Act 2009* relevant to the claim,
- (e) a company or business name search from the Australian Securities and Investments Commission relevant to the claim.

1 Costs determined by reference to certain stages in the matter

- (1) The maximum costs for legal services provided for a stage of a claim for work injury damages set out in Column 1 of the Work Injury Costs Table A to this clause are the costs set out in Column 2 opposite that stage.
- (2) However, if a law practice was first retained in the matter after a certificate as to mediation was issued under section 318B of the 1998 Act (or, if the matter is not referred to mediation because the insurer wholly denies liability, or the insurer has failed to respond to the pre-filing statement, after the service of the pre-filing statement of claim), the maximum costs are those set out in the Work Injury Costs Table B to this clause.
- (3) Costs may be charged for more than one stage described in this Schedule.
- (4) Other than stage 1 in the Work Injury Costs Table B to this clause, each stage specifies the maximum costs payable for all legal services provided in the period commencing on the occurrence of one specified event and concluding on either the occurrence of another specified event or settlement of the matter (whichever occurs first).
- (5) A reference in this Schedule to an amount of a settlement or an award is a reference to the amount inclusive of any weekly payment of compensation under Division 2 of Part 3 of the 1987 Act.

Schedule 8 Savings and transitional provisions

Part 1 Workers Compensation Legislation Amendment Act 2012

1 Interpretation

- (1) Words and expressions used in this Part have the same meaning as in Part 19H of Schedule 6 to the 1987 Act.
- (2) The provisions of Part 19H of Schedule 6 to the 1987 Act are deemed to be amended to the extent necessary to give effect to this Part.

2 Weekly payments amendments—workers with highest needs

- (1) If a worker is a worker with highest needs and a claim for compensation in respect of the worker's injury was made before 17 September 2012, the following provisions apply:
 - (a) the weekly payments amendments apply to the compensation payable to the worker in respect of the injury (while the worker is a worker with highest needs) on and from 17 September 2012,
 - (b) the amount of the weekly payments of compensation payable to the worker pursuant to the weekly payments amendments is not to be less than the amount of the weekly payments of compensation that would have been payable to the worker had the weekly payments amendments not applied to the worker (having regard to the period for which the worker has been entitled to weekly payments and the effect this has on entitlement to weekly payments or the amount of weekly payments),
 - (c) the adjustment of the transitional amount (which the worker's pre-injury average weekly earnings are deemed to equal) under section 80 of the 1987 Act that occurs on 1 October 2012 is backdated to have effect on and from 17 September 2012 in respect of the compensation payable to the worker on and from 17 September 2012,
 - (d) the amount of the weekly payments of compensation that would have been payable to the worker had the weekly payments amendments not applied to the worker is to be determined as if the adjustment of any relevant amount under Division 6 of Part 3 of the 1987 Act that occurs on 1 October 2012 were backdated to have effect on and from 17 September 2012 in respect of the compensation payable to the worker on and from 17 September 2012.
- (2) For the purposes of the application of the weekly payments amendments to a worker with highest needs whose claim for compensation was made before 1 October 2012, the worker's pre-injury average weekly earnings are deemed to be equal to the transitional amount whether or not the worker is an existing recipient of weekly payments.

3 Weekly payments amendments—other than workers with highest needs

- (1) If a claim for compensation in respect of a worker's injury was made before 1 October 2012, the weekly payments amendments and the relevant transitional arrangements do not apply to the compensation payable in respect of the injury until 1 January 2013.

Note. In the case of a claim made on or after 1 October 2012, the weekly payments amendments apply to the claim from when the claim is made.
- (2) This clause does not apply to a worker with highest needs.

- (3) In this clause:

relevant transitional arrangements means the provisions of Division 2 (Weekly payments) of Part 19H of Schedule 6 to the 1987 Act.

4 5 year limit on weekly payments

For the purposes of the application of section 39 (Cessation of weekly payments after 5 years) of the 1987 Act, as substituted by the 2012 amending Act, in respect of a claim made before 1 October 2012, no regard is to be had to any weekly payment of compensation paid or payable to the worker before 1 January 2013 (for the purpose of determining the aggregate period in respect of which a weekly payment has been paid or is payable to the worker).

Note. Section 39 limits the payment of weekly payments of compensation to a period of 5 years. This clause ensures that for claims made before 1 October 2012, weekly payments made before 1 January 2013 will not be counted towards the 5 years.

5 Limit on payment of medical, hospital and rehabilitation expenses

In the application of section 59A (Limit on payment of compensation) of the 1987 Act in respect of a claim for compensation made before 1 October 2012:

- (a) the claim is deemed to have been made immediately before 1 January 2013, and
- (b) no regard is to be had to any weekly payment of compensation paid or payable to the worker before 1 January 2013 (for the purpose of determining when a worker ceased to be entitled to weekly payments of compensation).

Note. Section 59A limits the payment of compensation to a period of 12 months after a claim for compensation is made or 12 months after weekly payments of compensation cease. This clause ensures that for claims made before 1 October 2012 the 12 month period will commence no earlier than 1 January 2013.

6 Compensation for medical and other expenses for existing claimants

- (1) Compensation is payable in accordance with Division 3 of Part 3 of the Act to an existing injured worker for any of the following treatments, services or assistance if approved by the insurer before 1 January 2014:
 - (a) treatment by a medical practitioner, a registered dentist or a dental prosthetist,
 - (b) hospital treatment and any related workplace rehabilitation services,
 - (c) any nursing, medicines, medical or surgical supplies or curative apparatus, supplied or provided for the worker otherwise than as hospital treatment,
 - (d) the provision of artificial members, hearing aids, hearing aid batteries, crutches, spectacles, eyes or teeth and other artificial aids.
- (2) This clause has effect despite any provision of section 59A of the Act but does not affect the operation of section 151A of the Act.
- (3) In this clause:

existing injured worker means a worker who was in receipt of compensation under Part 3 of the Act before the commencement of section 59A of the Act.

7 Giving of notice when liability disputed

Despite the substitution of section 74 of the 1998 Act by the 2012 amending Act, that section as in force before 1 October 2012 continues to apply to a notice given under that section before 1 January 2013 in respect of a claim for compensation made before 1 October 2012.

8 Awarding of costs by Commission

Division 3 (Special provisions for costs in compensation and damages assessment matters) of Part 8 of the 1998 Act continues to apply (as in force immediately before the amendment of that Division by the 2012 amending Act) to costs in relation to a claim for compensation made before 1 October 2012 if proceedings on the claim are commenced in the Commission before 31 March 2013.

9 Nervous shock claims

An amendment made by Schedule 3 to the 2012 amending Act extends to a claim for damages in respect of harm arising from mental or nervous shock suffered before 19 June 2012 but does not apply to a claim for damages if the claimant commenced court proceedings for the recovery of those damages before 19 June 2012.

10 Lump sum compensation

- (1) The amendments made by Schedule 2 to the 2012 amending Act extend to a claim for compensation made before 19 June 2012, but not to a claim that specifically sought compensation under section 66 or 67 of the 1987 Act.
- (2) Clause 15 of Part 19H of Schedule 6 to the 1987 Act is to be read subject to subclause (1).

11 Lump sum compensation: further claims

- (1) A further lump sum compensation claim may be made in respect of an existing impairment.
- (2) Only one further lump sum compensation claim can be made in respect of the existing impairment.
- (3) Despite section 66 (1) of the 1987 Act, the degree of permanent impairment in respect of which the further lump sum compensation claim is made is not required to be greater than 10%.
- (4) For the purposes of subclauses (1) and (2):
 - (a) a further lump sum compensation claim made, and not withdrawn or otherwise finally dealt with, before the commencement of subclause (1) is to continue and be dealt with as if section 66 (1A) of the 1987 Act had never been enacted, and
 - (b) no regard is to be had to any further lump sum compensation claim made in respect of the existing impairment:
 - (i) that was withdrawn or otherwise finally dealt with before the commencement of subclause (1), and
 - (ii) in respect of which no compensation has been paid, and
 - (c) section 322A of the 1998 Act does not operate to prevent an assessment being made under section 322 of that Act for the purposes of a further lump sum compensation claim.
- (5) The following provisions are to be read subject to this clause:
 - (a) section 66 of, and clause 15 of Part 19H of Schedule 6 to, the 1987 Act,
 - (b) section 322A of the 1998 Act,
 - (c) clauses 10 and 19 of this Schedule.
- (6) In this clause:

existing impairment means a permanent impairment resulting from an injury in respect of which a lump sum compensation claim was made before 19 June 2012.

further lump sum compensation claim means a lump sum compensation claim made on or after 19 June 2012 in respect of an existing impairment.

lump sum compensation claim means a claim specifically seeking compensation under section 66 of the 1987 Act.

12 Employer improvement notices

Part 3 of Chapter 3 of the 1998 Act applies only in relation to a contravention of Chapter 3 of the 1998 Act that occurs after the commencement of that Part.

13 Determination of degree of permanent impairment—Table of Disabilities

- (1) The fact that a worker's injury was received before the commencement of the 2001 lump sum compensation amendments does not prevent the degree of permanent impairment of the injured worker from being assessed for the purpose of determining whether the worker is a worker with highest needs under Division 2 of Part 3 of the 1987 Act.
- (2) In this clause, the **2001 lump sum compensation amendments** means the amendments made by Schedule 3 to the *Workers Compensation Legislation Amendment Act 2001* and Schedule 2 to the *Workers Compensation Legislation Further Amendment Act 2001*.

14 Maximum legal costs

Parts 2 and 3 of Schedule 6 (Maximum costs—compensation matters) to the *Workers Compensation Regulation 2010* as in force immediately before the substitution of those Parts by the *Workers Compensation Amendment (Transitional) Regulation 2012* continue to apply in respect of legal services provided before 1 October 2012.

15 1926 Act claims—weekly payments amendments do not apply

The amount of weekly payment of compensation payable under Division 2 of Part 3 of the 1987 Act in respect of any period of incapacity that resulted from an injury received before the commencement of that Division is to be determined as if the weekly payments amendments had not been made.

16 Continuation of weekly payments after second entitlement period—exemptions from application requirement

- (1) Section 38 (3) (a) of the 1987 Act does not apply in respect of a claim for compensation made before 1 October 2012 if the second entitlement period for the claim expires before, or less than 1 month after, the weekly payments amendments first apply in respect of the claim.
Note. Section 38 (3) (a) requires a worker to apply before the end of the second entitlement period for the continuation of weekly payments after the second entitlement period. Subclause (1) removes the need for such an application if the second entitlement period ends less than 1 month before section 38 (3) (a) would become applicable to the claim.
- (2) Section 38 (3) (a) of the 1987 Act does not apply in respect of a worker who is an existing recipient of weekly payments if:
 - (a) the second entitlement period for the claim expires less than 1 month after the insurer notifies the worker (as required by the WorkCover Guidelines) of the requirement under section 38 of the 1987 Act that the worker must apply to the insurer in writing before the end of the second entitlement period for continuation of weekly payments after the second entitlement period, or
 - (b) the insurer fails to notify the worker of that requirement as required by the WorkCover Guidelines.

- (3) A worker who, by virtue of subclause (1) or (2), is not required to apply before the end of the second entitlement period for continuation of weekly payments after the second entitlement period is, within 18 months of being assessed as having current work capacity, required to apply to the insurer in writing (in the form approved by the Authority) for continuation of weekly payments in order for the worker to continue to be entitled to weekly payments compensation.

17 Weekly payments amendments to apply where work capacity assessment not conducted

- (1) On and from 1 September 2015, the weekly payments amendments apply to the compensation payable under Division 2 of Part 3 of the 1987 Act (in respect of any period of incapacity occurring on and after that date) to an existing recipient of weekly payments in respect of whom a work capacity assessment has not been conducted before that date.
- (2) For the purposes of the application under this clause of the weekly payments amendments to an existing recipient of weekly payments who is in receipt of weekly payments of compensation immediately before 1 September 2015, the worker is taken (until a work capacity assessment is conducted in respect of the worker) to have been assessed by the insurer as having no current work capacity.

18 Lump sum compensation for hearing loss—injury before 1.1.2002

Section 69A of the 1987 Act (as in force before its repeal by the 2012 amending Act) continues to apply, despite its repeal, to a claim for compensation made on or after 19 June 2012 for loss of hearing resulting from an injury received before 1 January 2002.

19 Only one claim for permanent impairment compensation—injuries received before 1.1.2002

- (1) In the application of section 66 (1A) of the 1987 Act to a claim resulting from an injury received before 1 January 2002:
- (a) a reference in that subsection to permanent impairment compensation is taken to be a reference to lump sum compensation payable under Division 4 of Part 3 of the 1987 Act (as in force immediately before 1 January 2002), and
- (b) a reference in that subsection to permanent impairment is taken to be a reference to an injury of a kind to which any such lump sum compensation applies.
- (2) Section 66 (1A) of the 1987 Act is deemed to be amended to the extent necessary to give effect to this clause.

20 Discontinuation of certain entitlements

An existing recipient of weekly payments who has an entitlement arising under clause 9 (2) or 11 of Part 19H of Schedule 6 to the 1987 Act ceases to have that entitlement if, at any time after the commencement of the weekly payments amendments:

- (a) the worker ceases to be entitled to weekly payments of compensation, or
- (b) the worker no longer meets the criteria to be paid weekly payments of compensation under the provisions of Division 2 of Part 3 of the 1987 Act (as in force immediately before the commencement of the weekly payments amendments) in respect of which weekly payments of compensation were paid to the worker.

21 Application of weekly payments amendments to existing recipients of weekly payments

- (1) On the expiration of a period of 3 months after an insurer makes a work capacity decision arising from the first work capacity assessment (as required by Division 2 of Part 19H of Schedule 6 to the 1987 Act) of an existing recipient of weekly payments, the weekly payments amendments apply to the compensation payable under Division 2 of Part 3 of the 1987 Act to the worker in respect of any period of incapacity after the expiration of that period.

Note. Clause 9 (1) of Part 19H of Schedule 6 to the 1987 Act provides that the weekly payments amendments apply to an existing recipient of weekly payments 3 months after an insurer first conducts a work capacity assessment of the worker. Subclause (1) provides instead for the amendments to apply to such a worker 3 months after the insurer makes a work capacity decision in respect of the worker.

- (2) However, if, in the case of an existing recipient of weekly payments, the worker returns to work before the expiration of the 3-month period referred to in subclause (1), the weekly payments amendments apply, as from the date on which the worker returns to work, to the compensation payable under Division 2 of Part 3 of the 1987 Act to the worker in respect of any period of incapacity after that return to work.

22 Work capacity decision to be made as soon as practicable after assessment

An insurer must, for the purposes of Division 2 of Part 19H of Schedule 6 to the 1987 Act, make a work capacity decision in respect of an existing recipient of weekly payments as soon as practicable after the first work capacity assessment of the worker is conducted by the insurer as required by that Division.

23 Existing recipients of weekly payments who reach retiring age

An existing recipient of weekly payments who reaches the retiring age (within the meaning of section 52 of the 1987 Act) on or after 1 October 2012 but before 1 January 2013 is, subject to meeting the requirements under Subdivision 2 of Division 2 of Part 3 of the 1987 Act, entitled to 12 months' weekly payments from the date on which the person reaches that age.

Part 2 Special provisions for existing claims—2012 amendments

24 Interpretation

- (1) In this Part:
existing claim means a claim for compensation in respect of an injury made before 1 October 2012.
- (2) Words and expressions used in this Part have the same meaning as in Part 19H of Schedule 6 to the 1987 Act.
- (3) The provisions of Part 19H of Schedule 6 to the 1987 Act and Part 1 of this Schedule are deemed to be amended to the extent necessary to give effect to this Part.

25 Application of Part

This Part remakes Part 2 of Schedule 8 to the *Workers Compensation Regulation 2010* which took effect on 1 October 2012.

26 Termination of weekly payments on retiring age

The amendment made to section 52 of the 1987 Act by the 2012 amending Act does not apply in respect of an existing claim.

27 Medical and related expenses

- (1) An existing claim is exempt from the operation of section 59A (Limit on payment of compensation) of the 1987 Act in respect of the following compensation until the injured worker reaches retiring age:
 - (a) compensation payable to an injured worker under Division 3 of Part 3 of the 1987 Act if the worker's injury has resulted in permanent impairment of greater than 20%,
 - (b) compensation payable in respect of the provision of crutches, artificial members, eyes or teeth and other artificial aids or spectacles (including hearing aids and hearing aid batteries),
 - (c) compensation payable in respect of the modification of a worker's home or vehicle.
- (2) A worker's injury is considered to have resulted in permanent impairment of greater than 20% only if the injury has resulted in permanent impairment and:
 - (a) the degree of permanent impairment has been assessed for the purposes of Division 4 of Part 3 of the 1987 Act to be greater than 20%, or
 - (b) an assessment of the degree of permanent impairment is pending and has not been made because an approved medical specialist has declined to make the assessment on the basis that maximum medical improvement has not been reached and the degree of permanent impairment is not fully ascertainable, or
Note. Paragraph (b) no longer applies once the degree of permanent impairment has been assessed.
 - (c) the insurer is satisfied that the degree of permanent impairment is likely to be greater than 20%.
- (3) In this clause:
retiring age has the same meaning as in section 52 of the 1987 Act.

28 Secondary surgery

- (1) An existing claim is exempt from the operation of section 59A (Limit on payment of compensation) of the 1987 Act in respect of compensation for the cost of secondary surgery.
- (2) Surgery is **secondary surgery** if:
 - (a) the surgery is directly consequential on earlier surgery and affects a part of the body affected by the earlier surgery, and
 - (b) the surgery is approved by the insurer within 2 years after the earlier surgery was approved (or is approved later than that pursuant to the determination of a dispute that arose within those 2 years).
- (3) This clause does not affect the requirements of section 60 of the 1987 Act (including, for example, the requirement for the prior approval of the insurer for secondary surgery).
Note. This clause only creates an exception from section 59A of the 1987 Act in respect of compensation for secondary surgery that would have been payable (had it not been for section 59A) as part of the original claim for compensation. It does not relate to surgery for an injury that gives rise to a separate claim for compensation.

Part 3 Workers Compensation Amendment Act 2015

Note. Consequent on the amendment made to section 52 of the 1987 Act by the 2015 amending Act, certain workers who were injured before reaching the retiring age (and who reached the retiring age during the period commencing on 1 October 2012 and ending on 15 October 2015) may be eligible for weekly payments of compensation after the day on which they reached the retiring age. As a result of this extension of eligibility for weekly payments of compensation, the period during which certain workers are eligible for compensation

for medical and related expenses may also be extended. See section 59A of the 1987 Act for the effect of weekly payments of compensation on eligibility for compensation for medical and related expenses.

- (1) To the extent that clause 3 of Part 19I of Schedule 6 to the 1987 Act applies in respect of the *Workers Compensation (Bush Fire, Emergency and Rescue Services) Act 1987*, that clause does not apply to the amendment made by the 2015 amending Act to section 25 of the 1987 Act (or to clause 5 of that Part in its application to that amendment).

Note. The effect of this subclause is that a reference in the *Workers Compensation (Bush Fire, Emergency and Rescue Services) Act 1987* to section 25 of the 1987 Act is (in respect of deaths occurring on or after 5 August 2015) a reference to that provision as amended by the 2015 amending Act.

Note. Clauses 4, 6, 25 and 26 of Part 19H of Schedule 6 to the 1987 Act provide, among other things, that certain amendments made to Division 2 of Part 3 of the 1987 Act by the *Workers Compensation Legislation Amendment Act 2012* do not apply to certain injured workers. Accordingly, the relevant clauses of the *Workers Compensation Regulation 2010* continue to have effect with respect to those injured workers.
