MATTHEW KEAN, MP  
Minister for Innovation and Better Regulation

## Explanatory note

The object of this Regulation is to amend the *Work Health and Safety Regulation 2017*:

- (c) to provide that Subdivision 2 of Division 3 of Part 5.2 of the *Occupational Health and Safety Regulation 2001* continues to apply until 1 January 2020 (as if that Regulation had not been repealed) to and in respect of the registration of certain items of plant, other than certain mining specific plant and amusement devices that are passenger ropeways or water slides, and
- (d) to amend a reference to an Australian Standard in the context of outer warning placard requirements.

This Regulation is made under the *Work Health and Safety Act 2011*, including section 271 (3) (c) (ii), section 276, Schedule 3 (the general regulation-making powers) and clause 1 of Schedule 4.
