

## No. XII.

An Act to amend so much of the “Tolls Amendment Act 1857” as relates to Broad Wheels.  
[25th April, 1861.]

BROAD WHEELS  
REPEAL.  
—

WHEREAS it is expedient to amend so much of the “Tolls Amendment Act 1857” as relates to the breadth of Wheels Be it enacted by the Queen’s Most Excellent Majesty by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled and by the authority of the same as follows:—

1. The third fourth fifth sixth seventh and eighth sections of the said recited Act are hereby repealed. Sections 3 to 8 of 20 Vic. No. 38 repealed.

2. From the time when this Act shall take effect every cart dray wain wagon or other such carriage all the wheels whereof shall not be less than five inches wide in the tire and shall be constructed and fixed or applied in conformity with the provisions hereof shall be charged with half the toll only to which such cart dray wain wagon or other carriage would otherwise be liable. Broad Wheels charged half toll only.

3. It shall thenceforward be lawful for any Trustee or Commissioner of any Turnpike Road or their Lessee or for any Collector of Tolls or for any person acting under the authority of any such Trustee Commissioner Lessee or Collector to measure the breadth of the wheels of any cart dray wain wagon or other carriage in respect whereof a reduction of toll is claimed under this Act and otherwise to examine the same to ascertain that the same are constructed and fixed or applied in conformity with the provisions hereof before such cart dray wain wagon or other carriage shall be allowed to pass through any toll gate or bar at which toll shall be payable and every owner or driver of any such cart dray wain wagon or other carriage who after such measuring and examination shall have been lawfully required shall refuse to permit the same or who shall turn or drive out of the road in order to avoid or evade the same or in any other way wilfully hinder or obstruct the same shall forfeit all right to a reduction of toll to which he would otherwise have been entitled under the provisions hereof in respect of such cart dray wain wagon or other carriage. Power to measure wheels. Penalty on preventing measuring.

4. The reduction of toll hereinbefore provided shall not be claimable or allowed in respect of any cart dray wain wagon or other carriage unless all the wheels thereof in addition to being five inches wide in the tire shall to the intent and so that when the wheels move on Construction of wheels.
