belonging to the said Company and to connect
the same with Bellambi Harbour. [30th Sep-
tember, 1862.]

WHEREAS the Bulli Coal Mining Company incorporated by that Preamble.
name by virtue of an Act passed in the twenty-fifth year of
the reign of Her present Majesty Queen Victoria and hereinafter
designated "the Company" have opened Coal Mines on land situate
near Bulli in the County of Camden and are desirous of constructing
a Railway from the said Coal Mines to Bellambi Harbour but as part
of such proposed Railway is intended to be made upon and to pass
through lands in the said County not belonging to the said Company
but believed to be the property of George Somerville John Somerville
James Holden James Somerville George Organ Robert Campbell
William Campbell Patrick Collins Sarah Salter John Cawley Elizabeth
Colleary Thomas Hale and the Crown respectively the same cannot be
made without Legislative authority And whereas the said Coal Mines
are likely to prove beneficial to the Colony and the public are concerned
in promoting such an increase in the facilities for the supply of Coal
for local consumption steam navigation and export as would result
from the construction of the said proposed Railway it is therefore
desirable to authorize by Legislative enactment the construction of the
said Railway subject to the provisions hereinafter contained upon pay-
ment of compensation to the several parties through whose lands the
same shall pass for such portions of their respective lands as may be
required to be occupied thereby Be it therefore enacted by the
Queen's Most Excellent Majesty by and with the advice and consent
of the Legislative Council and Legislative Assembly of New South
Wales in Parliament assembled and by the authority of the same as
follows :—

Bulli Coal Mining Company's Railway.

Provided

Bulli Coal Mining Company's Railway.

Provided always the said Justices shall have regard to and shall make full allowance for any tolls that may have been paid by the Company on such road in the course of the using thereof.

Bridges to be constructed where Railway crosses highway.

9. If the line of Railway cross any public highway or parish road then either such road shall be carried over the Railway or the Railway shall be carried over such road by means of a bridge of the height and width and with the ascent or descent by this Act in that behalf hereinafter provided and such bridge with the immediate approaches and all other necessary works connected therewith shall be executed by and be at all times thereafter maintained at the expense of the Company Provided that with the consent of the Governor with the advice of the Executive Council it shall be lawful for the Company to carry the Railway across any highway on the level.

Owners and occupiers crossing.

10. Until the Company shall have made the bridges or other proper communications which they shall under the provisions herein contained have been required to make between lands intersected by the Railway and no longer the owners and occupiers of such lands and any other persons whose right of way shall be affected by the want of such communications and their respective servants may at all times freely pass and repass with carriages horses and other animals directly but not otherwise across any part of the Railway made in or through their respective lands solely for the purpose of occupying the same lands or for the exercise of such right of way and so as not to obstruct the passage along the Railway or to damage the same nevertheless if the owner or occupier of any such lands have in his arrangements with the Company received or agreed to receive compensation for or on account of any such communications instead of the same being formed such owner or occupier or those claiming under him shall not be entitled so to cross the Railway.

Provisions in cases where roads or tramways are crossed on a level.

11. If the Railway cross any public highway parish road or tramway on a level the Company shall erect and at all times maintain good and sufficient gates across such road or tramway on each side of the Railway where the same shall communicate therewith and shall employ proper persons to open and shut such gates and such gates shall be kept constantly closed across such road or tramway on both sides of the Railway except during the time when horses cattle carts or carriages passing along the same shall have to cross such Railway and such gates shall be of such dimensions and so constructed as when closed to fence in the Railway and prevent cattle or horses passing along the road or tramway from entering upon the Railway and the person intrusted with the care of such gates shall cause the same to be closed as soon as such horses cattle carts or carriages shall have passed through the same under a penalty of forty shillings for every default therein Provided always that it shall be lawful for the Secretary for Public Works in any case in which he shall be satisfied that it will be more conducive to the public safety that the gates on any level crossing over any such road or tramway shall be kept closed across the Railway to order that such gates shall be kept so closed instead of across the road or tramway and in such case such gates shall be kept constantly closed across the Railway except when engines or carriages passing along the Railway shall have occasion to cross such road or tramway in the same manner and under the like penalty as above directed with respect to the gates being kept closed across the road or tramway.

Power to enter upon adjoining lands to repair accidents subject to certain restrictions.

12. In case of accidents or slips happening or being apprehended to the cuttings embankments or other works of the said Railway it shall be lawful for the Company and their workmen and servants to enter upon the land adjoining thereto at any time whatsoever for the purpose of repairing or preventing such accidents and to do such works as may be necessary for the purpose but in every case the Company shall within forty-eight hours after such entry make a report to the Secretary for

Bulli Coal Mining Company's Railway.

for Public Works specifying the nature of such accident or apprehended accident and of the works necessary to be done and such powers shall cease and determine if the said Secretary shall after considering the said report certify that their exercise is not necessary for the public safety. Provided also that such works shall be as little injurious to the adjoining lands as the nature of the accident or apprehended accident will admit of and shall be executed with all possible despatch and full compensation shall be made to the owners and occupiers of such lands for the loss or injury or inconvenience sustained by them respectively by reason of such works the amount of which compensation in case of any dispute about the same shall be settled by arbitrators in the manner hereinafter mentioned. And provided also that no land shall be taken permanently for any such works otherwise than is herein provided with respect to the lands originally taken for the purpose of making the said Railway.

13. Every bridge to be erected for the purpose of carrying the Railway over any road shall be built in conformity with the following regulations (that is to say)—

Construction of
bridges over roads.

The width of the arch shall be such as to leave thereunder a clear space of not less than thirty feet if the arch be over a public highway and of twenty feet if over a parish road and of twelve feet if over a private road.

The clear height of the arch from the surface of the road shall not be less than sixteen feet for a space of twelve feet if the arch be over a turnpike road and fifteen feet for a space of ten feet if over a public carriage road and in each of such cases the clear height at the springing of the arch shall not be less than twelve feet the clear height of the arch for a space of nine feet shall not be less than fourteen feet over a private road.

The descent made in the road in order to carry the same under the bridge shall not be more than one foot in thirty feet if the bridge be over a public highway one foot in twenty feet if over a parish road and one foot in sixteen if over a private road not being a tramroad or railroad or if the same be a tramroad or railroad the descent shall not be greater than the ruling gradient of such tramroad or railroad.

14. Every bridge erected for carrying any road over the Railway shall be built in conformity with the following regulations (that is to say)—

Construction of
bridges over
Railroad.

There shall be a good and sufficient fence on each side of the bridge of not less height than four feet and on each side of the immediate approaches of such bridge of not less than three feet.

The road over the bridge shall have a clear space between the fences thereof of thirty-five feet if the road be a public highway and twenty-five feet if a parish road and twelve feet if a private road.

The ascent shall not be more than one foot in thirty feet if the road be a turnpike road one foot in twenty feet if a parish road and one foot in sixteen feet if a private road not being a tramroad or railroad or if the same be a tramroad or railroad the ascent shall not be greater than the ruling gradient of such tramroad or railroad.

15. Provided always that in all cases where the average available width for the passing of carriages of any existing road within fifty yards of the points of crossing the same is less than the width hereinbefore prescribed for bridges over or under the Railway the width of such bridges need not be greater than such average available width of such roads

The width of the
bridges need not
exceed the width of
the road in certain
cases.

Bulli Coal Mining Company's Railway.

roads but so nevertheless that such bridges be not of less width in case of a public highway or parish road than twenty feet. Provided also that if at any time after the construction of the Railway the average available width of any such road shall be increased beyond the width of such bridge on either side thereof the Company shall be bound at their own expense to increase the width of the said bridge to such extent as they may be required by the trustees or surveyors of such road not exceeding the width of such road as so widened or the maximum width herein prescribed for a bridge in the like case over or under the Railway.

Existing inclination of roads crossed or diverted need not be improved.

16. Provided also that if the mesne inclination of any road within two hundred and fifty yards of the point of crossing the same or the inclination of such portion of any road as may be required to be altered or for which another road shall be substituted shall be steeper than the inclination hereinbefore required to be preserved by the Company then the Company may carry any such road over or under the Railway or may construct such altered or substituted road at any inclination not steeper than the said mesne inclination of the road so to be crossed or of the road so requiring to be altered or for which another road shall be substituted.

Works for benefit of owners.

17. The Company shall make and at all times thereafter maintain the following works for the accommodation of the owners and occupiers of lands adjoining the Railway (that is to say)—

Gates bridges &c.

Such and so many convenient gates bridges arches culverts and passages over under or by the sides of or leading to or from the Railway as shall be necessary for the purpose of making good any interruptions caused by the Railway to the use of the lands or any streets not diverted under the powers herein contained through which the Railway shall be made and such works shall be made forthwith after the part of the Railway passing over such lands shall have been laid out or formed or during the formation thereof.

Fences.

All sufficient posts rails hedges ditches mounds or other fences for separating the land taken for the use of the Railway from the adjoining lands not taken and protecting such lands from trespass or the cattle of the owners or occupiers thereof from straying thereon by reason of the Railway together with all necessary gates made to open towards such adjoining lands and not towards the Railway and all necessary stiles and such posts rails and other fences shall be made forthwith after the taking of any such lands if the owners thereof shall so require and the said other works as soon as conveniently may be.

Drains.

Also all necessary arches tunnels culverts drains or other passages either over or under or by the sides of the Railway of such dimensions as will be sufficient at all times to convey the water as clearly from the lands lying near or affected by the Railway as before the making of the Railway or as nearly so as may be and such works shall be made from time to time as the Railway works proceed.

Watering places.

Also proper watering places for cattle or compensation in lieu thereof where by reason of the Railway the cattle of any person occupying any lands lying near thereto shall be deprived of access to their former watering places and such watering places shall be so made as to be at all times sufficiently supplied with water as theretofore and as if the Railway had not been made or as nearly so as may be and the said Company shall make all necessary water-courses and drains for the purpose of conveying water to the

Bulli Coal Mining Company's Railway.

the said watering places Provided always that the Company shall not be required to make such accommodation works in such a manner as would prevent or obstruct the working or using of the Railway nor to make any accommodation works with respect to which the owners and occupiers of the lands shall have agreed to receive and shall have been paid compensation instead of the making them.

18. If any person omit to shut and fasten any gate set up at either side of the Railway for the accommodation of the owners or occupiers of the adjoining lands so soon as he and the carriage cattle or other animals under his care have passed through the same he shall forfeit for every such offence any sum not exceeding ten pounds. Penalty on persons omitting to fasten gates.

19. The Company shall not be entitled to any mines of coal ironstone slate or other minerals under any land vested in them by virtue of this Act except only such parts thereof as shall be necessary to be dug or carried away in the construction of the works hereby authorized. Minerals not to pass.

20. If within twenty-eight days after the passing of this Act the persons through whose lands the Railway shall pass or any of them and the Company shall not agree as to the amount of compensation to be paid by the Company for the said lands belonging to the said parties or any of them or for any damage that may be sustained by them or him by reason of the execution of the works or if any other question as to compensation shall arise under this Act the amount of such compensation shall be settled by arbitrators in manner herein-after mentioned (that is to say)— Compensation clause.

Unless both parties shall concur in the appointment of a single arbitrator each party on the request of the other party shall nominate and appoint an arbitrator to whom such dispute or other matter shall be referred and every appointment of an arbitrator shall be executed by such party and such appointment shall be delivered to the arbitrator or arbitrators and shall be deemed a submission to arbitration on the part of the party by whom the same shall be made and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other nor shall the death of either party operate as a revocation and if for the space of fourteen days after any such dispute or other matter shall have arisen and after a request in writing shall have been served by the one party on the other party to appoint an arbitrator such last-mentioned party fail to appoint such arbitrator then upon such failure it shall be lawful for the Attorney General for the time being of the said Colony on the application of the party who has himself appointed an arbitrator to appoint such arbitrator to act on behalf of both parties and such arbitrator may proceed to hear and determine the matters which shall be in dispute and in such case the award or determination of such single arbitrator shall be final and conclusive. Appointment of arbitrators.

21. If before the matter so referred shall be determined any arbitrator appointed by either party shall die or become incapable or refuse or for fourteen days neglect to act as arbitrator the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place and if for the space of seven days after notice in writing from the other party for that purpose he fail to do so the remaining or other arbitrators may proceed alone and every arbitrator so to be substituted as aforesaid shall have the same powers and authorities as were vested in the former arbitrator at the time of such his death refusal neglect or disability as aforesaid. Vacancy in arbitration to be supplied.

Bulli Coal Mining Company's Railway.

Appointment of
umpire.

22. Where more than one arbitrator shall have been appointed such arbitrators shall before they enter upon the matters referred to them nominate and appoint by writing under their hands an umpire to decide any matters on which they shall differ or which shall be referred to them under the provisions of this Act and if such umpire shall die or refuse or for seven days neglect to act after being called upon to do so by the arbitrators they shall forthwith after such death refusal or neglect appoint another umpire in his place and the decision of every such umpire on the matters so referred to him shall be final.

Attorney General to
appoint umpire on
neglect.

23. If in either of the cases aforesaid the arbitrator shall refuse or for seven days after request of either party to such arbitration neglect to appoint an umpire it shall be lawful for the Attorney General for the time being on the application of either party to such arbitration to appoint an umpire and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

In case of death of
single arbitrator the
matter to begin *de*
novo.

24. If when a single arbitrator shall have been appointed such arbitrator shall die or become incapable or shall refuse or for fourteen days neglect to act before he shall have made his award the matters referred to him shall be determined by arbitration under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

If either arbitrator
refuse to act the
other to proceed
ex parte.

25. If where more than one arbitrator shall have been appointed either of the arbitrators shall refuse or for seven days neglect to act the other arbitrator may proceed alone and the decision of such other arbitrator shall be as effectual as if he had been a single arbitrator appointed by both parties.

If arbitrators fail to
make their award
within twenty-one
days the matter to go
to the umpire.

26. If where more than one arbitrator shall have been appointed and where neither of them shall refuse or neglect to act as aforesaid such arbitrators shall fail to make their award within twenty-one days after the day on which the last of such arbitrators shall have been appointed or within such extended time (if any) as shall have been appointed for that purpose by both of such arbitrators under their hands the matters referred to them shall be determined by the umpire to be appointed as aforesaid.

Powers of arbitrators
to call for books &c.

27. The said arbitrators or their umpire may call for the production of any documents in the possession or power of either party which they or he may think necessary for determining the question in dispute and may examine the parties or their witnesses on oath and administer the oaths necessary for that purpose.

Arbitrator or umpire
to make a declara-
tion for faithful dis-
charge of duty.

28. Before any arbitrator or umpire shall enter into the consideration of any matters referred to him he shall in the presence of a Justice of the Peace make and subscribe the following declaration (that is to say)—

I A. B. do solemnly and sincerely declare that I will faithfully and honestly and to the best of my skill and ability hear and determine the matters referred to me under the provisions of the Bulli Coal Company's Railway Act.
