

No. XIII.

CROWN LANDS
PURCHASES
VALIDATION.

An Act to legalize certain Conditional and other Purchases of Crown Lands. [23rd July, 1888.]

Preamble.

WHEREAS the persons whose names are respectively mentioned in Schedule A hereto have made conditional purchases under the law regulating the alienation of Crown Lands in force for the time being of certain portions of Crown Lands, and the said purchases have been subsequently found to be either wholly or in part illegal for the reasons respectively specified in connection with such purchases in the said Schedule. And whereas the persons whose names are mentioned in Schedule B hereto have applied to purchase certain portions of Crown Lands in virtue of improvements, but the sale of the said lands could not be lawfully made and completed for the reasons respectively specified and set against the names of such persons in the said Schedule. And whereas the persons whose names are mentioned in Schedule C have purchased, at auction, certain portions of Crown Lands, but such purchases are illegal for the respective reasons specified and set against the names of such persons in the said Schedule. And whereas it is just and expedient that the conditional and other purchases specified in Schedules A, B, and C respectively should be validated, and that sales and grants of the portions specified in Schedules B and C respectively should be authorized. Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

Validation of con-
ditional purchases in
Schedule A.

1. The conditional purchases under or purporting to be under the thirteenth, fourteenth, twenty-first, and twenty-second sections of the "Crown Lands Alienation Act of 1861," and the twenty-sixth and forty-second sections of the "Crown Lands Act of 1884" respectively, of the portions of land specified in Schedule A by the persons whose names are therein severally set opposite to such portions, shall be held to have been valid and effectual in law, subject nevertheless to the fulfilment by the holders thereof of the several conditions and provisions respectively applicable thereto, prescribed by the said Acts, the "Lands Acts Amendment Act, 1875," and the "Lands Acts further Amendment Act, 1880," and to the conditions of forfeiture or reversion prescribed by the said Acts. Provided that nothing herein shall be held to require the performance of conditions, failure to comply with which is specified in the Schedules hereto, as the cause of the illegality of the purchase, or which renders such purchase liable to forfeiture.

Sales and grants
authorized of por-
tions in Schedule B.

2. The Governor, with the advice of the Executive Council, may sell and grant the portions specified in Schedule B to the persons whose names are therein set opposite to such portions respectively, at a price to be fixed by appraisement in accordance with the provisions of the "Lands Acts further Amendment Act of 1880." And every such sale shall be subject to the conditions prescribed by the second and thirty-first sections of the "Lands Acts Amendment Act of 1875." Provided that failure to pay the price determined by appraisement within a period of three months after the determination of such price shall render the purchase liable to forfeiture, in manner prescribed by the said lastmentioned Act, as regards such cases arising under it.

Validation of auction
purchases specified in
Schedule C.

3. The purchases at auction of the portions of Crown Lands specified in Schedule C made by the persons whose names are therein set opposite such purchases are hereby declared to have been valid and effectual in law.

Short title.

4. This Act may be cited as the "Crown Lands Purchases Validation Act of 1888."
