

**No. XXVIII.**TAMWORTH WATER  
SUPPLY WORKS.

**An Act to sanction the construction of Water Supply Works for the town of Tamworth, and to apply the provisions of the Country Towns Water and Sewerage Act of 1880 and any Act amending the same to the said works. [10th November, 1896.]**

Preamble.

**W**HEREAS in accordance with the provisions of the Public Works Act of 1888, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, Water Supply Works for the town of Tamworth: And whereas, on the passing of the said resolution, a statutory duty was by the said Act imposed on the Secretary for Public Works to introduce a Bill into the said Assembly to sanction the carrying out of the said work: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

Work sanctioned.

1. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned; and the Secretary for Public Works, or the Member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work subject to the provisions of this Act.

Plan of work.

2. The plan of the said work is the plan marked "Tamworth Water Supply," signed by the Secretary for Public Works and countersigned by the Engineer-in-Chief for Public Works, and deposited in the office of the said Secretary.

Cost, how to be  
defrayed.

3. The cost of carrying out the work hereby sanctioned, estimated at thirty-seven thousand five hundred and twenty-two pounds, may be defrayed from such Loan Votes as are now or may hereafter be applicable thereto, and shall not under any circumstances exceed the estimated cost by more than ten per centum.

Application of  
Country Towns  
Water and Sewerage  
Acts to work  
sanctioned.

4. Any work sanctioned by and completed under the authority of this Act shall, for the purposes of Part V of the Country Towns Water and Sewerage Act of 1880 and of any enactment amending the same, be deemed to be works authorised and completed by the Governor within the meaning of section one hundred and twenty-four of the said Act.

Short title.

5. This Act may be cited as the "Tamworth Water Supply Works Act, 1896," and shall be construed as one with the Country Towns Water and Sewerage Act of 1880, the Country Towns Water and Sewerage Act Extension Act of 1887, and so much of the Country Towns and Hunter District Water Supply and Sewerage Acts Amendment Act of 1894 as amends the Acts above-mentioned.

## SCHEDULE.

Water supply for the town of Tamworth, counties of Inglis and Parry, parishes of Gill, Moonbi, Attunga, Woolomol, Tamworth, and Meningha.

The proposed works are shown (approximately) by red lines on the plan referred to in section two of this Act. They consist of:—

1. A concrete dam across Moore Creek to form a storage reservoir with a capacity of fifty million gallons.
  2. About eleven and a half miles of seven-inch steel pipes from the storage reservoir to the service reservoir.
  3. A concrete service reservoir with a capacity of half a million gallons.
  4. About one mile of nine-inch steel pipes from the service reservoir to the town.
  5. About twenty and a quarter miles of six-inch, four-inch, and three-inch reticulation pipes, with hydrants, &c.
