2. The carrying out of the work described in the Schedule to this Act is hereby sanctioned.

3. The plan of the said work is the plan marked "N.S.W. Railways, Jerilderie towards Deniliquin, Schedule Plan," signed by the Railway Commissioners for New South Wales and countersigned by the Chief Engineer for Railway and Tramway Construction, and deposited in the public office of the said Railway Commissioners.

4. The cost of carrying out the said work (exclusive of land resumptions) is estimated at one hundred and twenty-five thousand pounds, and such estimated cost shall not, under any circumstances, be exceeded by more than ten per centum.

5. The said line of railway may be constructed on or along or by the side of any road or highway.

6. Notwithstanding the provisions of section ninety-one of the Public Works Act, 1912, the Constructing Authority shall not be compelled, nor shall it be the duty of the said Authority to make or maintain any fence along the said line of railway for the accommodation of any person or for any purpose whatsoever; but the said Authority may, in its discretion, make and maintain such fences in connection with the said line of railway as it may think fit.

SCHEDULE.

THIS line commences at 412 miles 4 chains from Sydney and at the western end of the station site at Jerilderie, and proceeds in a south-westerly direction across West-street and Algudery Creek, skirts the head of Box Creek and passes close to the south-eastern side of Burchell's Lagoon, thence the south-westerly bearing is continued for about 17 miles to the Tuppal Soldiers' Settlement, where it terminates at 437 miles 4 chains from Sydney, being a total distance of 25 miles, and is subject to such deviations and modifications as may be considered desirable by the Constructing Authority.
