SECOND

SECOND SCHEDULE—*continued.*

2. Where the income from employment earned by an employee in any week is not less than twenty pounds the amounts of Social Services Tax shall be four-fifths of the sum ascertained by adding to seventeen shillings and ten pence, one penny for each one shilling and eight pence of income from employment in excess of twenty pounds.
3. Where an employee is paid at other than weekly intervals, and the amount actually earned by him in each week included in the period in respect of which the payment is made is not readily ascertainable, the income from employment earned by the employee in each such week may, for the purposes of this Schedule, be calculated by dividing the sum paid to him by the number of weeks included in such period.
