No. 49, 1954.

(7) Where the average price per bushel obtained by the Board for wheat of a season exported by the Board, or sold by the Board for export, is less than the guaranteed price, the net proceeds from the disposal of wheat of that season by the Board shall, for the purposes of this section, be deemed to be increased by the amount that becomes payable to the Board under the Commonwealth Act out of the Wheat Prices Stabilization Fund established by that Act, that is to say an amount ascertained by multiplying the amount of the difference between that average price and the guaranteed price by a number equal to the number of bushels of wheat of the season exported by the Board, or sold by the Board for export, or by one hundred million, whichever is the less.

(8) In ascertaining the average price for the purposes of subsection seven of this section the price obtained in respect of a sale other than a sale of fair average quality bulk wheat free on rails at the port of export shall be deemed to be the price which would have been the corresponding price for a sale of the same quantity of fair average quality bulk wheat free on rails at the port of export.

**12.** (1) The amount payable under this Act in respect of any wheat is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat. Payment  
by Board.
