## (6) Section 99A—

After section 99, insert:—

**Fees for testing, etc., by Corporation.**

99A. (1) Where the Corporation carries out an examination, test or analysis of any milk, dairy product or margarine that belongs to or is in the possession of a dairyman or dairy produce merchant in order to determine whether it is deleterious to health, unwholesome or impure, the Corporation may demand and receive from the dairyman or dairy produce merchant such fee as may be determined by the Corporation in respect of the examination, test or analysis.

(2) The amount of any fee determined pursuant to subsection (1) in respect of any examination, test or analysis shall not exceed the amount necessary to reimburse the Corporation for its reasonable costs in carrying out the examination, test or analysis and in obtaining samples or doing any other thing for the purposes of the examination, test or analysis.

(3) The Corporation may demand and receive fees in respect of an examination, test or analysis of any milk, dairy product or margarine, whether or not—

- (a) it is New South Wales milk, a New South Wales dairy product or New South Wales margarine; or
- (b) the examination, test or analysis was carried out in New South Wales.
