Energy Services Corporations Amendment (TransGrid Corporatisation) Act 1998 No 68

Act No 68, 1998

An Act to amend the *Energy Services Corporations Act 1995* to corporatise the Electricity Transmission Authority; to make consequential amendments to other Acts and regulations; to repeal the *Electricity Transmission Authority Act 1994*; and for other purposes. [Assented to 2 July 1998]

The Legislature of New South Wales enacts:

1 Name of Act

This Act is the *Energy Services Corporations Amendment (TransGrid Corporatisation) Act 1998*.

2 Commencement

This Act commences on day or days to be appointed by proclamation.

3 Amendment of Energy Services Corporations Act 1995 No 95

The *Energy Services Corporations Act 1995* is amended as set out in Schedule 1.

4 Amendment of other Acts and regulations

The Acts and regulations specified in Schedule 2 are amended as set out in that Schedule.

5 Repeal of Electricity Transmission Authority Act 1994 No' 64 and regulations under that Act

- (1) The *Electricity Transmission Authority Act 1994* is repealed.
- (2) The regulations made under that Act are repealed, including the *Electricity Transmission Authority (Savings and Transitional) Regulation 1995*.

Schedule 1 Amendment of Energy Services Corporations Act 1995

(Section 3)

[1] Long title

Insert “, transmission” after “generation”.

[2] Section 3 Definitions

Insert “, an energy transmission operator” after “electricity generator” in the definition of *energy services corporation* in section 3 (1).

[3] Section 3 (1)

Insert in alphabetical order:

energy transmission operator means a corporation constituted by this Act, being a corporation whose corporate name is listed in Part 1A of Schedule 1.

[4] Part 2A

Insert after Part 2:

Part 2A Energy transmission operators

6A Establishment of statutory State owned corporations

On the day on which this section commences:

- (a) a corporation is constituted by this Act under the corporate name listed in Part 1A of Schedule 1, and
- (b) the *State Owned Corporations Act 1989* is amended by inserting in Schedule 5, in alphabetical order, the corporate name listed in Part 1A of Schedule 1.

6B Principal objectives of energy transmission operators

- (1) The principal objectives of an energy transmission operator are as follows:

- (a) to be a successful business and, to this end:
 - (i) to operate at least as efficiently as any comparable businesses,
 - (ii) to maximise the net worth of the State's investment in it,
 - (iii) to exhibit a sense of social responsibility by having regard to the interests of the community in which it operates,
 - (b) to protect the environment by conducting its operations in compliance with the principles of ecologically sustainable development contained in section 6 (2) of the *Protection of the Environment Administration Act 1991*,
 - (c) to exhibit a sense of responsibility towards regional development and decentralisation in the way in which it operates,
 - (d) to operate efficient, safe and reliable facilities for the transmission of electricity and other forms of energy,
 - (e) to promote effective access to those transmission facilities.
- (2) Each of the principal objectives of an energy transmission operator is of equal importance.
- (3) Without limiting subsection (1) (b), in implementing the principal objectives set out in subsection (1), an energy transmission operator has the special objective of minimising the environmental impact on land of activities authorised by easements for transmission facilities created in favour of the energy transmission authority. In implementing this special objective, the transmission operator is bound by all relevant laws (such as those concerning native vegetation, soil conservation and easement management) applying at the time.
- (4) The provisions of section 20E of the *State Owned Corporations Act 1989* do not apply to an energy transmission operator.

6C Functions of energy transmission operators

- (1) An energy transmission operator has the functions conferred or imposed on it by or under this or any other Act or law.
 - (2) The principal functions of an energy transmission operator are:
 - (a) to establish, maintain and operate facilities for the transmission of electricity and other forms of energy, and
 - (b) to provide services for the transmission of electricity and other forms of energy in accordance with the relevant regulatory regime.
 - (3) An energy transmission operator:
 - (a) may also provide facilities and services that are ancillary or incidental to its principal functions, and
 - (b) may also conduct any business (whether or not related to its principal functions) that it considers will further its objectives.
- In particular, an energy transmission operator may utilise and develop its facilities in connection with the provision of telecommunications services.
- (4) This section does not limit the functions of an energy transmission operator apart from this section, but is subject to the provisions of this Act, the *State Owned Corporations Act 1989* and any other Act or law.

[5] Section 12 Variation of names of energy services corporations

Insert “, 1A” after “Part 1”.

[6] Section 13 Creation of additional energy services corporations

Insert “, 1A” after “Part 1” in section 13 (1).

[7] Section 14 Dissolution of existing energy services corporations

Insert “, 1A” after “Part 1” in section 14 (1).

[8] Schedule 1 Energy services corporations

Insert after Part 1:

Part 1A Energy transmission operators

TransGrid

[9] Schedule 3 Transfer of staff, assets, rights and liabilities

Omit “or 12” from clause 1 (1).

Insert instead “, 12, 13A, 13D, 13F or 16”.

[10] Schedule 4 Amendment of other Acts and instruments

Omit “First State Power” and “Macquarie Generation” from Schedule 4.14 [1].

[11] Schedule 5 Savings, transitional and other provisions

Insert at the end of clause 1 (1):

Energy Services Corporations Amendment (TransGrid Corporatisation) Act 1998

[12] Schedule 5, Part 2, Division 2A

Insert after Division 2 of Part 2:

**Division 2A Provisions consequent on enactment of the
Energy Services Corporations Amendment
(TransGrid Corporatisation) Act 1998**

13 Definitions

In this Division:

former Act means the *Electricity Transmission Authority Act 1994*.

former Authority means the Electricity Transmission Authority constituted by the former Act.

former staff means the persons who were members of the staff of the former Authority immediately before the dissolution of the former Authority (other than the Chief Executive of the former Authority), and includes any such person who was seconded to a subsidiary company pursuant to section 26 of the former Act.

13A Transfer of assets, rights and liabilities of former Authority

- (1) The Minister may direct, by order in writing:
 - (a) that all assets, rights and liabilities of the former Authority, or
 - (b) that any specified assets, rights and liabilities of the former Authority, or
 - (c) that all assets, rights and liabilities of the former Authority other than those specified,
be transferred to TransGrid.
- (2) The Minister may also direct, by order in writing, that any specified assets, rights and liabilities of the former Authority be transferred to any other person or body acting on behalf of the Crown as is specified in the order.
- (3) An order under this clause may be made on such terms and conditions as are specified in the order.
- (4) Schedule 3 applies to a transfer of assets, rights and liabilities under this clause.
- (5) Section 20C of the *State Owned Corporations Act 1989* does not apply to the assets, rights or liabilities of the former Authority.

138 Part-time directors and Chairperson of Board of former Authority

- (1) The part-time directors of the Board of the former Authority become, on the dissolution of the former Authority, directors of the Board of TransGrid.
- (2) Those directors are taken to have been appointed to the Board of TransGrid for a term of one year from that dissolution.

- (3) The part-time director referred to in section 16 (2) (c) of the former Act is taken to have been appointed as the director referred to in clause 1 (2) (b) of Schedule 2 to this Act.
- (4) The part-time director who was, on the dissolution of the former Authority, the Chairperson of the Board of the former Authority is taken to have been appointed as the chairperson of the Board of TransGrid.

13C Chief Executive of former Authority

- (1) The Chief Executive of the former Authority (if any) becomes, on the dissolution of the former Authority, the chief executive officer of TransGrid for the residue of his or her term of office as, and subject to the same conditions (including conditions as to remuneration) as those of his or her appointment as, Chief Executive of the former Authority.
- (2) The other provisions of clause 2 of Schedule 2 apply to a chief executive officer taken to be appointed in accordance with this clause.

13D Transfer of staff

- (1) All former staff are transferred to TransGrid on the dissolution of the former Authority.
- (2) Schedule 3 applies to a transfer of staff under this clause.

13E Special provision relating to former public sector executive officers

- (1) This clause applies to a person to whom clause 13C or 13D applies who held an executive position under Part 2A of the *Public Sector Management Act 1988* immediately before the dissolution of the former Authority.
- (2) Any such person is not entitled to exercise a right of return to the public sector under section 42R, or to seek compensation under section 42S, of the *Public Sector Management Act 1988*:

- (a) on ceasing to hold the executive position on the dissolution of the former Authority, or
 - (b) on ceasing to be employed by TransGrid.
- (3) This clause applies despite anything to the contrary in this Act.

13F Dissolution of Electricity Transmission Authority

- (1) The former Authority is dissolved.
- (2) The assets, rights and liabilities (if any) of the former Authority immediately before its dissolution are by this clause transferred to the Ministerial Holding Corporation established under section 37B of the *State Owned Corporations Act 1989*, if any such assets, rights or liabilities remain after the operation of any order under clause 13A that takes effect on or before its dissolution.
- (3) On and from the dissolution of the former Authority, TransGrid is taken for all purposes, including the rules of private international law, to be a continuation of, and the same legal entity as, the former Authority.

13G Variation of timetable for first statement of corporate intent

- (1) A period within which any matter is required to be done under section 21 of the *State Owned Corporations Act 1989* in connection with the first statement of corporate intent of TransGrid may be extended by the voting shareholders of TransGrid.
- (2) The voting shareholders of TransGrid may also dispense with the need for the first statement of corporate intent to cover a specified period after the commencement of this clause or may direct that any such period be added to the period covered by the first statement of corporate intent.

13H Special provisions applying if this Act commences before commencement of national market in electricity

- (1) This clause applies if the former Act is repealed before the commencement of the *National Electricity (NSW) Law* and applies until such time as that Law commences.

- (2) In this clause, a reference to the alternative Market and System Operator is a reference to the eligible person appointed (instead of TransGrid) as the Market and System Operator for the purposes of the *Electricity Supply Act 1995* under section 77 (2) of that Act.
- (3) The Minister may, by order, transfer to the alternative Market and System Operator specified employees of TransGrid. The transferred employees remain employees of TransGrid and are merely seconded to the alternative Market and System Operator.
- (4) The Minister may, after consultation with the Treasurer, give the Board of TransGrid a written direction with respect to the provision of facilities, services or information by TransGrid to the alternative Market and System Operator to enable the exercise of that Operator's functions under the *Electricity Supply Act 1995*. The Board must ensure that any such direction is carried out.
- (5) Sections 9 (1A), 11 and 38 (1) of the former Act continue to have effect, as if references to the former Authority were references to:
 - (a) TransGrid, and
 - (b) the alternative Market and System Operator.
- (6) Section 98U (1) (o) of the *Stamp Duties Act 1920* and paragraph (a) (viic) of the definition of *excluded debit* in section 3 (1) of the *Debits Tax Act 1990* have effect as if a reference in those provisions to the former Authority were a reference to:
 - (a) TransGrid, and
 - (b) the alternative Market and System Operator.

[13] Schedule 5

Insert after clause 15:

16 Finalisation of arrangements relating to certain property transfers

- (1) This clause applies to assets, rights and liabilities of a relevant body:

- (a) that comprise or relate to electricity transmission lines of 132kV (or lower voltage), substations, switching stations or other facilities, and
 - (b) that are:
 - (i) to be transferred with the agreement of the relevant body, or
 - (ii) the subject, of any directions, recommendations or arrangements for transfer given or made under this Act or any other Act before the commencement of this clause, or
 - (iii) the subject of discussions and negotiations under clause 5 of Schedule 2 to the *Electricity Transmission Authority Act 1994* before its repeal.
- (2) The Minister may direct, by order in writing, that any such specified assets, rights and liabilities of a relevant body be transferred to another relevant body specified in the order.
- (3) A **relevant body** is Pacific Power, an energy services corporation, the Ministerial Holding Corporation established under section 37B of the *State Owned Corporations Act 1989* or any other person or body acting on behalf of the Crown.
- (4) An order under this clause may be made on such terms and conditions as are specified in the order.
- (5) Schedule 3 applies to a transfer of assets, rights and liabilities under this clause.
- (6) This clause does not affect the power under this Act to make any other order to which Schedule 3 applies.
- (7) The clause expires on the fifth anniversary of the day on which it commences.
