An authority must, if requested to do so by a person who is the occupier of 2 or more holdings within its district that are not contiguous, treat the holdings as a single holding for the purposes of determining liability to pay a rate under this Part.

Division 2 Rates

60 What is rateable land?

For the purposes of this Act, land within a district is rateable land if it is the whole or any part of a holding that is within the district and either:

(a) the land has an area that is not less than the area prescribed by the regulations in relation to the district for the purposes of this paragraph, or

(b) if the regulations provide for land to be rateable land in any other specified circumstances—those circumstances exist in respect of the land.

Note. See section 8 for when a holding is within a district.

61 What are the types of rate?

(1) The following types of rate can be made by an authority:

(a) a general rate,

(b) an animal health rate,

(c) special purpose rates.

(2) An animal health rate may be levied in respect of rateable land comprising a holding for which an annual return has not been lodged in accordance with section 76.
Section 62  
Rural Lands Protection Act 1998 No 143

62 When are rates to be made and levied?

(1) An authority must make and levy a general rate for each year on all rateable land in its district.

(2) An authority must make and levy an animal health rate for each year.

(3) An authority may make and levy one or more special purpose rates for any year on any land in its district when the authority considers it necessary to do so.

(3A) A rate does not have effect until it is approved by the Minister.

(4) A rate is to be made in accordance with the regulations.

(5) The regulations may:
   (a), (b) (Repealed)
   (c) specify the purposes for which any special purpose rate or animal health rate may be levied,
   (d) exempt rateable land on which less than a specified number of stock are kept from liability for any animal health rate.

63 How is a rate levied?

(1) A rate is levied on the land specified in a rate notice by giving the notice to any occupier of the land liable to pay the rate.

   Note. Section 240 (Service and giving of notice and other documents) sets out the ways in which notice may be given.

(2) A rate notice is to be in the approved form and is to specify the amount of each rate levied.

(3) A rate is due and payable on the day (being a day not less than 28 days and not more than 42 days after notice of the rate is given) specified in the notice.

(4) An authority may accept payment of a rate by instalments or in accordance with an agreement made with the person liable to pay the rate.

(5) For the purposes of subsection (1), if there are 2 or more occupiers of land, a rate notice duly given to any one of the occupiers is taken to have been given to the other occupiers of the land.

(6) An occupier (other than the owner) of land who is given a rate notice must give any owner (other than the Crown) of the land oral or written advice of the rate levied within 14 days after being given the rate notice.

   Maximum penalty: 10 penalty units.
Division 3 Liability for rates

64 Occupiers are liable to pay rates

(1) The occupier of land on which a rate is levied by an authority is liable to pay the rate to the authority, except as provided by this Part.

(2) If there are 2 or more occupiers of the land, they are jointly and severally liable to pay the rate. However, as between themselves they are liable only for that part of the rate that is proportionate to the occupier’s interest in the land.

(3) An occupier who pays to the authority more than the occupier’s proportionate part of the rate may recover the excess by way of contribution from the other occupier or occupiers.

65 Liability of owner (other than Crown) to pay rates not paid by occupier

(1) An owner (other than the Crown) of the land in respect of which any rate is levied by the authority is liable for payment to the authority of the whole or any part of the rate that is unpaid 12 months after the day on which it became due and payable by an occupier and any interest or any other charges payable in respect of the rate.

(2) An authority cannot recover any unpaid rate, interest or charges from an owner under subsection (1) unless it gives the owner 28 days’ notice of the amount of the rate that is unpaid and of any interest or charges payable in respect of the rate.

(3) An owner who pays the whole or part of an unpaid rate or any interest or charges payable in respect of the rate may recover the amount paid from the occupier who was given the rate notice.

(4) Nothing in subsection (2) affects any occupier’s liability for payment of a rate.

(5) If there are 2 or more owners of land, they are jointly and severally liable to pay the unpaid rate. However, as between themselves they are liable only for that part of the rate that is proportionate to the owner’s interest in the land.

(6) An owner who pays to the authority more than the owner’s proportionate part of the unpaid rate may recover the excess by way of contribution from the other owner or owners.

66 Liability when occupier or owner of land changes

(1) The liability of a person to pay to an authority a rate in respect of land that is unpaid on the day the person ceases to be the occupier or owner of the land continues until the day on which notice of the change in
occupancy or ownership is given by the person in accordance with section 81.

**Note.** The liability of a person who ceased to be the occupier or owner of the land (the former occupier or former owner) to pay any owner or subsequent occupier who has paid to an authority any unpaid rate that should have been paid by the former occupier or former owner does not cease on the giving of the notice, and the owner or subsequent occupier who paid the unpaid rate to the authority may recover the amount from the former occupier or former owner (see section 68).

(1A) The giving of a notice as referred to in subsection (1) does not affect any liability of the owner of the land other than the Crown (if the notice is of change of occupancy) or the new owner of the land other than the Crown (if the notice is of change of ownership) for the whole or any part of a rate that is unpaid or for any interest or any other charges in respect of the rate under section 65.

**Note.** If any unpaid rate, interest or charge is paid to an authority by the owner or new owner, he or she may recover the amount from the former occupier or former owner (see section 68).

(2) A person who pays to an authority any rate levied in respect of land after the person ceases to occupy or own the land and before the person gives notice of the change in occupancy or ownership of the land may recover the amount from any successive occupier or owner of the land who is liable to pay that rate.

(3) A person who becomes the occupier of land that is the subject of a lease, licence or purchase from the Crown is not liable for any rate levied in respect of the land that is unpaid on the day the person becomes the occupier of the land.

### 67 Apportionment of rates

(1) This section applies to a rate levied in respect of land for a year if the occupancy or ownership of the land (whether in whole or in part) is subsequently changed during that year to a different occupier or owner.

(2) The rate is payable as between the former and subsequent occupier or owner of land proportionately to the part of the year during which the occupier or owner occupied the land and to the part of the land occupied or owned.

### 68 Recovery of rates paid when not occupier or owner

An occupier or owner of land who pays to an authority any rate that accrued during the occupancy or ownership of the land by some other person is entitled to recover from that other person as a debt such proportion of the rate as accrued while that other person was the occupier or owner of the land.
Division 4  
Assessment of notional carrying capacity of land

69  
Assessment of notional carrying capacity

(1) An authority must assess the notional carrying capacity of each holding in its district in accordance with the regulations.

(2) The authority may assess the notional carrying capacity of a holding at any time but must assess it within 5 years (or such other period as may be prescribed by the regulations) of its last assessment.

(3) The authority is to give any occupier of the holding notice of its assessment as soon as practicable after it is made (but not later than on the first occasion following the assessment on which a rate notice with respect to the land is given).

(4) For the purposes of subsection (3), if there are 2 or more occupiers of a holding, a notice of assessment duly given to any one of the occupiers is taken to have been given to the other occupiers of the holding.

(5) An occupier (other than the owner) of a holding who is given a notice of assessment must give each other occupier and each owner oral or written advice of the assessment within 14 days after being given the notice of assessment.

Maximum penalty: 10 penalty units.

70  
Application for review of assessment

(1) An owner or occupier of a holding who is dissatisfied with an authority’s assessment of the notional carrying capacity of the holding may apply in writing to the authority for a review of the assessment.

(2) An application for review of an assessment must be made not later than 28 days after notice of the assessment is given to the occupier.

(3) The authority may, within 28 days of receipt of an application for review of an assessment, require the applicant to provide the authority with such additional information as the authority may reasonably require to review the assessment.

(4) The authority is not required to deal with an application for review of an assessment if the applicant fails to provide additional information to the authority when required to do so.

71

Maximum penalty: 10 penalty units.

(5) The authority is taken (for the purposes only of an appeal) to have decided to confirm the assessment if the authority has not reviewed the assessment within the period of 40 days after:
(a) the making of the application for review, or
(b) if it has required the applicant to provide additional information, receipt of the information.

Division 5 Appeals against assessment of notional carrying capacity and rates

72 Appeals against assessment

(1) If an occupier or owner of a holding is dissatisfied with the decision of an authority on review of an assessment of the notional carrying capacity of a holding, the occupier or owner may, not later than 30 days after being given notice of the decision, appeal against the authority’s assessment to the appropriate local land board.

(2) An appeal is to be determined on the information provided or available to the authority in making the assessment and any additional information provided under section 70. However, the local land board may also take into account any relevant information contained in an annual return under section 76 that has been duly lodged by the applicant.

(3) Before hearing an appeal against an assessment of the notional carrying capacity of a holding, the local land board must be satisfied that the appellant has paid all rates that the appellant is liable to pay under this Act, other than any rates based on the assessment of the notional carrying capacity that is the subject of the appeal.
### 73 Appeals against rates

1. An occupier or owner of land may appeal against the validity of any rate levied on land to the appropriate local land board.

2. An appeal may be made on the ground that the land or part of it is not rateable or is not subject to a particular rate.

3. An appeal is to be lodged within 30 days after the occupier of the land is given the rate notice.

4. The local land board is not to hear an appeal under this section in respect of a rate levied in respect of a year unless the appellant has produced to the local land board a certificate issued by the authority (or such other evidence as is acceptable to the local land board) confirming that all rates due and payable in any preceding year in relation to the land have been paid.

**Note.** Section 240 (Service and giving of notices and other documents) sets out various ways in which a rate notice may be given.

### 74 Hearing of appeals

1. After hearing the appeal against an assessment of the notional carrying capacity of a holding, the local land board must decide the appeal by:
   - (a) confirming the assessment, or
   - (b) varying the assessment by altering the assessment.

2. After hearing the appeal against a rate levied on land, the local land board must decide the appeal either:
   - (a) by confirming the rate as levied, or
   - (b) by varying the rate.

3. The decision of a local land board on the hearing of the appeal is final.

### Division 6 Recovery of rates

#### 75 Measures to facilitate the recovery of rates

1. The lodgment of an appeal against the validity of the rate under section 73 does not prevent proceedings being taken for the recovery of the rate.

2. The fact that an appeal has been lodged against the validity of a rate under section 73 does not prevent the State Council from exercising a power conferred by section 79.

**Note.** An authority may sell land in respect of which the payment of rates is overdue—see Schedule 5.
Division 7  Annual returns

76  Annual returns of land and stock
(1) An annual return for a holding in a district must be lodged in accordance with the regulations by any person prescribed by the regulations as the person responsible for the lodgment of such a return. Maximum penalty: 20 penalty units.
(2) The annual return is to give details of the matters prescribed by the regulations.

77  Change of occupier after lodgment of return

78  Duty to supply information in respect of land or stock
An authority may, subject to the regulations, require any person who lodges an annual return or any owner or occupier of the holding to which an annual return relates to provide any specified information relating to matters covered by the return for the purpose of:
(a) verifying or updating the authority’s records, or

   (a) the making or levying of a rate or charge,
   (b) the fixing or charging of a fee for the supply to a relative of the person by the authority of any commodity or service provided by the authority in the same manner and subject to the same conditions as apply to persons who are not subject to this clause,

(a) requiring a person who is the holder of a specified office to devote the whole of his or her time to the duties of that office, or
(b) prohibiting the person from engaging in employment outside the duties of that office,

(3) A board and each such committee must have available for the public at its principal office copies (for inspection or taking away by any person) of the agenda of a proposed meeting. This requirement does not apply to a matter that, in the opinion of the Chairperson of the board, is likely to be considered when the meeting is closed to the public or to any correspondence or reports that, in the opinion of the Chairperson, are likely to be the subject of a resolution that they be treated as confidential.

(4) The copies are to be available as nearly as possible to the time they are available to directors.

(5) The copies are to be available free of charge.

(e) information that is subject to legal obligations of confidence,

(g) information the disclosure of which would prejudice the maintenance of law,

(3) The grounds on which a meeting is closed must be specified in the decision to close the meeting and recorded in the minutes of the meeting.

(4) A person (whether a director or other person) is not entitled to be present at a meeting of the board or such a committee if expelled from the meeting:

(2) The State Council may, if it thinks fit, transact any of its business at a meeting at which members (or some members) participate by telephone, closed-circuit television or other means, but only if any member who speaks on a matter at the meeting can be heard by the other members.

(3) For the purposes of:
   (a) the approval of a resolution under subclause (1), or
   (b) a meeting held in accordance with subclause (2),
      the Chairperson and each member have the same voting rights as they have at an ordinary meeting of the State Council.

(4) A resolution approved under subclause (1) is, subject to the regulations, to be recorded in the minutes of the meetings of the State Council.

Part 2 Election and appointment of directors

(b) if a casual vacancy occurs in the office of any director of the board—in a special election to fill that vacancy.

(2) If no person is nominated at a general election or special election, or if for any other reason an election fails, the Minister may appoint a person eligible for election to be a director (or who would be eligible except for clause 9 (3)), and the person, on being appointed, is taken to be a person elected in accordance with this clause.

3 Entitlement to vote at an election

A person is entitled to vote at a general election or special election for the directors of a board for a district if on the date on which the roll is closed the person is enrolled, in accordance with this Schedule, as an elector for the district (or, if the district is divided into divisions, as an elector for a division of the district).
4 Qualification for election or appointment as director

(1) A person is qualified for election as an elected director of a board if on the relevant day the person is:

(a) the occupier (or one of the occupiers) or the owner (or one of the owners) of a holding that consists wholly or partly of rateable land that is within the division for which the person is to be elected or appointed or, if the district is not divided into divisions, is within the district, or

(b) a nominee of a corporation that is the occupier or owner of such a holding.

Note. See section 8 (When is a holding within a district?).

Part 3 Conduct of elections

6 General provisions applicable to elections of directors of boards

A general election or special election must be conducted by post in accordance with the procedure prescribed by the regulations.

7 When is general election of directors to be held?

The State Council is to ensure that:
(a) a general election for the elected directors of each board is held to enable the directors of the board elected at the general election to take office on 1 May 2009 (or such other date as may be prescribed by the regulations), and

(b) a general election for the elected directors of each board is held to enable the directors of the board elected at the general election to take office on 1 May 2013.

8 Delayed election

(1) If the Minister is of the opinion that it would be impractical or inconvenient to hold a general election of the directors of any board in time for the directors to take office when required by clause 7, the Minister may, by order published in the Gazette, appoint a later day by which a general election must be held and the directors be able to take office.

(2) The Minister is to serve a copy of an order under this clause on each authority to which it relates.

(3) If a later day is appointed under this clause:

(a) the retiring directors continue in office until that day, and if a retiring director resigns in the meantime, his or her office is vacant until that day, and

(b) clause 7 applies as if the date by which the directors must be able to take office under that clause were the date appointed by the Minister, and

(c) clause 7A of Schedule 1 and clause 10 cease to apply to any vacancy occurring in the office of a director after the order appointing a later day is published in the Gazette and the Minister may, if he or she thinks fit, appoint a person who would be qualified to be elected as a director to fill the office until the later day.

9 Term of office of directors

(1) Subject to this Schedule and the regulations, the term of office of an elected director of a board expires on the day immediately before the general election held after his or her election as a director.

(2) Subject to this Schedule and the regulations, an appointed director holds office for the term specified in the director’s instrument of appointment, but is eligible (if otherwise qualified) for re-appointment.

(3) A person is not eligible to hold office as a director (whether elected or appointed) for more than the following period (whether or not involving consecutive terms of office):
(a) in the case of a director who is or has been a member of the State Council (after 1 January 2009)—12 years in total or such other period as may be prescribed by the regulations, or
(b) in any other case—8 years in total or such other period as may be prescribed by the regulations.

10 Special election to be held to fill a casual vacancy in the office of director

(1) An authority must hold a special election to fill any vacancy that occurs in the office of any elected director of the board of the authority within 3 months after the occurrence of the vacancy.

(2) However, if such a vacancy occurs within the period of 6 months immediately preceding the date on which directors elected at a general election are to take office, an election to fill the vacancy must not be held.
