#### EXPLANATORY NOTE

The objects of this Regulation are:

- (a) to add to the list of substances for which prescriptions must be retained for 2 years by the person who dispenses the prescription; and
- (b) to add to the list of prescribed restricted substances under section 16 of the Poisons Act 1966; and
- (c) to add to the list of restricted substances which are prescribed for the purposes of section 18A of the Poisons Act 1966.

Section 16 of the Poisons Act 1966 provides that it is an offence for a person (other than a medical practitioner, pharmacist, dentist, veterinary surgeon or certain other authorised persons) to have possession or attempt to obtain possession of prescribed restricted substances.

Section 18A of the Poisons Act 1966 provides that it is an offence for a person to have possession of a quantity of any prescribed restricted substance in excess of the quantity prescribed in respect of that substance.
