**EXPLANATORY NOTE**

The Registered Clubs Act 1976 requires each registered club to lodge with the Liquor Administration Board a copy of the duly audited balance sheet and profit and loss account (or income and expenditure account) submitted to its annual general meeting. In addition, the Registered Clubs Regulation 1983 requires each such club to lodge supplementary information in support of those documents, providing details of the club's assets and liabilities.

The object of this Regulation is to amend the Registered Clubs Regulation 1983 so as to remove the requirement that the clubs provide the supplementary information.
