CONSTRUCTION SAFETY ACT 1912—REGULATION

(Relating to minimum public liability insurance required in respect of amusement devices)

NEW SOUTH WALES

[Published in Gazette No. 55 of 1 May 1992]

HIS Excellency the Governor, with the advice of the Executive Council, and in pursuance of the Construction Safety Act 1912, has been pleased to make the Regulation set forth hereunder.

JOHN FAHEY
Minister for Industrial Relations and
Minister for Further Education,
Training and Employment.

Commencement

1. This Regulation commences on 1st July, 1992.

Amendment

2 The Construction Safety Regulations 1950 are amended by omitting from Regulation 157C (1A) the matter “\$1,000,000” and by inserting instead the matter “\$5,000,000”.

EXPLANATORY NOTE

The Construction Safety Regulations 1950 prohibit a person from operating an amusement device unless any liability for damages for death or personal injury arising out of the operation, use, failure or collapse of the device is covered by an insurance policy.

The object of this Regulation is to increase (from \$1,000,000 to \$5,000,000) the minimum cover per accident for which such a policy must provide.
