(Cl. 74)

**Environmental Planning and Assessment (Feedlot
Amendment) Regulation 1993**

1. Paragraph (e) of Schedule 3, as in force immediately before the commencement of the Environmental Planning and Assessment (Feedlot Amendment) Regulation 1993, applies to development applications made, but not finally determined, before that commencement.

EXPLANATORY NOTE

The purpose of this Regulation is to amend the Environmental Planning and Assessment Regulation 1980 to vary the kind of development for the purpose of cattle feedlots declared to be designated development by changing the current description of cattle feedlots concerned (those with a capacity to accommodate more than 400 cattle) to those with the capacity to accommodate more than 1,000 cattle.

This Regulation is made under the Environmental Planning and Assessment Act 1979, including section 157 (the general regulation making power) and section 158.
