- \$450,840 for Young Council
- \$258,570 for Harden Council
- \$20,553 for Southern Riverina Electricity.

---

**EXPLANATORY NOTE**

The object of this Regulation is to alter the rate at which water from the South-west Tablelands Water Supply works supplied to councils and electricity distributors exercising water supply functions is chargeable and to alter the minimum amount payable by the councils and electricity distributors for water supplied to them.

The Electricity (Savings, Transitional and Machinery Provisions) Regulation 1993 enables such electricity distributors to be treated in the same way as councils and county councils exercising water supply functions.

This Regulation is made under the South-west Tablelands Water Supply Administration Act 1941, including section 8A and section 20 (the general regulation making power).
