The object of this Regulation is to introduce a substitute form of monthly statistics to be given to the Director-General of the Department of Health by each private hospital.

The new form is more comprehensive and contains information which the Department of Health needs to meet its obligations under the Medicare Agreement to report admissions to private hospitals in New South Wales.

This Regulation is made under section 55 (Regulations) of the Private Hospitals and Day Procedure Centres Act 1988 (and in particular section 55 (2) (b) (ii)).
