**EXPLANATORY NOTE**

The Second Schedule to the Roman Catholic Church Communities' Lands Act 1942 contains the canonical and corporate names of certain Roman Catholic orders, congregations, communities, associations and societies. By virtue of its listing in that Schedule, each such organisation is a "community" as defined in the Act, and by virtue of the Act, the trustees of property for the community constitute a body corporate.

This proclamation adds Catholic Health Care Services [NSW & ACT] and the corporate name of the trustees of that organisation to the Second Schedule to the Act.

The organisation includes in its foundation membership a number of communities that already appear in section 2 of the Act or in the Second Schedule to the Act. The organisation's functions are in large part to conduct hospitals, hospices, nursing homes, retirement villages, community health centres and other services in the place of its foundation and future members.
