(Relating to payment of registration fees by instalments)

NEW SOUTH WALES

*[Published in Gazette No. 167 of 9 December 1994]*

HIS Excellency the Governor, with the advice of the Executive Council, and in pursuance of the Registered Clubs Act 1976, has been pleased to make the Regulation set forth hereunder.

Chief Secretary.

The Registered Clubs Regulation 1983 is amended by inserting after clause 18A the following clause:

**Special arrangements for payment of fees by instalments in 1995**

18B. (1) The fee for a certificate of registration in respect of the registration period that commences on 16 January 1995 may be paid by 6 instalments calculated in accordance with subclause (2). The first instalment is payable on or before 15 January 1995 and the remaining instalments are payable on or before 15 February, 15 March, 15 April, 15 May and 15 June in that year.

(2) If a registration fee is paid as provided for by this clause:

(a) the amount of the first 5 instalments is:

(i) if the registration fee is a multiple of 6 dollars—one sixth of the registration fee; or

(ii) if the registration fee is not a multiple of 6 dollars—an amount that would be one sixth of the registration fee if the registration fee were increased by the amount necessary (of less than 6 dollars) to make the registration fee a multiple of 6 dollars; and

(b) the amount of the last instalment is the balance of the registration fee after payment of the first 5 instalments.

**1994—No. 633**

---

(3) This clause does not prevent a registration fee being paid in the manner referred to in clause 18 (4) but only one method of payment may be chosen (that is, the fee must be paid either as referred to in that subclause or as provided for by this clause).

**EXPLANATORY NOTE**

At present, registration fees under the Registered Clubs Act 1976 must be paid either in full before the commencement of the registration period (that is, before 16 January in each year) or by 2 equal (or approximately equal) instalments, the first being payable before 16 January and the second being payable within 4 months after 16 January.

The object of this Regulation is to allow registration fees for the registration period that commences on 16 January 1995 to be paid by 6 instalments. Each instalment is one sixth or approximately one sixth of the registration fee. The first instalment is payable before the registration period commences (that is, on or before 15 January 1995) and the remaining instalments are payable on or before the fifteenth day in each subsequent month.

This Regulation is made under the Registered Clubs Act 1976, in particular section 15 (Fees) and section 73 (the general regulation making power).
