**1994—No. 93**

---

**EXPLANATORY NOTE**

The object of this Regulation is to increase the rate which is taken to be the current weekly wage rate of certain workers under the Workers Compensation Act 1987 and is used for the purpose of calculating compensation payable to them while incapacitated for work. The prescribed rates apply only to workers who became entitled to receive weekly payments in respect of an incapacity for work before 1 February 1992.

This Regulation is made under the Workers Compensation Act 1987, in particular section 42 (1) (d) and clause 7 (2) (b) of Part 4 of Schedule 6 to the Act (power to prescribe the “current weekly wage rate”) and section 280 (the general regulation making power).
