**EXPLANATORY NOTE**

The object of this Regulation is to increase the margin in respect of the price of milk that is payable to dairy produce merchants by vehicle by removing the present requirement in milk pricing arrangements that results in dairy produce merchants contributing to the “Vendor Rationalisation Reserve” (which is part of the New South Wales Dairy Corporation and Conference administration allowance).

This Regulation is made under the Dairy Industry Act 1979, in particular section 56 (Prescribed provisions for fixing prices) and section 103 (the general regulation making power).
