**Group voting tickets**

29B. (1) A group voting ticket lodged with the returning officer under section 308A (3) of the Act:

**Order of groups of candidates on ballot-papers**

30A. (1) A ballot referred to in clause 29 C (1) (b) is to be conducted in the following manner:

- (a) the returning officer must, at the place of nomination and before all persons present, make out in respect of each group of candidates a slip bearing the surname of every candidate in the group and, if the returning officer considers it necessary to do so, the given names or the initial letter or letters of the given names of every candidate in the group;
- (b) the returning officer must then enclose the slips in separate identical containers, securely seal each container and deposit all the containers in a securely fastened ballot-box;
- (c) the returning officer must then shake and rotate the ballot-box and, on request, permit any other person present to do the same;
- (d) the returning officer must then unfasten the ballot-box and take out and open each container one by one;
- (e) the returning officer must then write the word “Group” followed by the letter “A” on the slip enclosed in the container first taken from the ballot-box and write the word “Group” followed by the letter “B” on the slip enclosed in the container next taken from the ballot-box, and so on until the word “Group” and a successive letter of the alphabet (or, if there are more than 26 groups, a distinctive symbol determined by the returning officer) have been written on each slip;
- (f) the returning officer must then announce to the persons present, and record, the names of the candidates in each group and include in that record, before the names of the candidates in each group, the word “Group” followed by the identifying letter or symbol determined in respect of that group in accordance with paragraph (e);
- (g) the record must be signed by the returning officer and may also be signed by any of the persons present;

- (h) the returning officer must promptly deliver or send the original of the record to the Electoral Commissioner.
- (2) Each candidate or an agent of each candidate is entitled to be present at a ballot in accordance with this clause.
- (k) by omitting clause 31 and by inserting instead the following clause:

**Form of ballot-papers**

31. (1) The returning officer is to have ballot-papers printed for the election and is to provide a sufficient number of ballot-papers to be initialled and used for the election.

(2) In printing the ballot-papers for an election in which there are no groups, the names of the candidates are to be printed in one column (starting at the top) in the order determined as referred to in clause 29C (1) (a).

(3) In printing the ballot-papers for an election:

(a) in which there is only one group, the names of candidates included in that group are to be printed in a group before the names of candidates, if any, not included in that group; and

(b) in which there are 2 or more groups, the names of candidates included in the groups are to be printed in groups across the ballot-papers (starting from the left side) in the order determined as referred to in clause 29C (1) (b), before the names of candidates, if any, not included in any such group; and

(c) the order, within a group, in which the names of candidates in that group are to be printed in the ballot-papers is the order specified in the claim made by them under section 308A of the Act; and

(d) the names of candidates, if any, not included in any group are to be printed as a group, without any identification referred to in subclause (4), on the ballot-papers in the order determined as referred to in clause 29C (1) (a).

(4) In printing the ballot-papers, each group (and each group voting ticket square relating to the group) is to be identified by the word “Group” followed by a successive letter of the English alphabet, starting with the letter “A”, and if there are more than 26 groups each group (and each group voting ticket square relating to the group) after the twenty-sixth is to be identified by such symbol as may be determined by the returning officer.

**1995—No. 300**

(5) If 2 or more persons have been endorsed by a political party as candidates in an election and a claim has been made to include the names of those candidates in a group on the ballot-papers, the following requirements apply to the printing of the ballot-papers:

- (a) the name of the party by which each candidate was endorsed is to be printed adjacent to the name of that candidate on the ballot-papers;
- (b) if all the candidates were endorsed by the same party and a group voting ticket square is printed on the ballot-papers in relation to the candidates—the name of the party is to be printed on the ballot-papers adjacent to that square;
- (c) if the application under Part 7 of Chapter 10 of the Act for the name of the political party to be printed adjacent to the names of those candidates included a request that a composite name be printed adjacent to the group voting ticket square on the ballot-papers in relation to the candidates—the composite name is to be printed on the ballot-papers adjacent to that square.

(6) The ballot-papers must show as the names of the candidates the names under which they were nominated. The names may be accompanied by descriptions or additions to distinguish them from each other in any case where a similarity in the names of 2 or more candidates is, in the opinion of the returning officer, likely to cause confusion.

(7) For an election in which there are no groups, the ballot-papers are to be in Form 4. For an election in which there are one or more groups but no group has a group voting ticket, the ballot-papers are to be in Form 4A. For an election in which there are one or more groups and one or more groups has a group voting ticket, the ballot-papers are to be in Form 4B.

**Note.** Section 323 of the Act requires the name of a party (or the word “Independent”) to be printed as well in certain circumstances.

(1) by omitting clause 39 (1) and by inserting instead the following subclause:

- (1) A person who:
  - (a) is entitled to vote at an election in a ward or area as an owner, occupier or ratepaying lessee of rateable land in the ward or area; and
  - (b) is not a resident of the ward or area; and
  - (c) is qualified for a postal vote under this Division,

is entitled to be registered as a non-resident general postal voter for the ward or area in respect of the election.

- (m) by inserting in clause 39 (2) before the words “not later than” the words “on or after the date that is 6 months before election day and”;
- (n) by omitting from clause 40 (2) the words “The register” and by inserting instead the words “Until it lapses, the register”;
- (o) by inserting at the end of clause 40 the following subclause:
  - (3) The register lapses after the election for which it is prepared.
- (p) by omitting the heading to clause 43 and by inserting instead the heading **“Electors entitled to postal vote”**;
- (q) by omitting clause 43 (1) and by inserting instead the following subclause:
  - (1) An elector who duly applies for a postal vote or is registered as a general postal voter (whether as a resident or non-resident) is entitled to make a postal vote in the ward or area to which the elector’s application or registration relates.
- (r) by omitting clause 44 and by inserting instead the following clause:

**Issue of postal ballot-paper**

44. (1) The returning officer is to check whether an elector’s name is on the roll of electors once the returning officer has the elector’s duly made application for a postal vote or has the list, or copy of the register, on which the elector’s name appears.

(2) The returning officer is then to:

- (a) make a record that a ballot-paper is being issued to the elector; and
- (b) deliver or send to the elector a ballot-paper that is initialled on the back by the returning officer or an electoral official; and
- (c) deliver or send to the elector an envelope bearing both the address of the returning officer and a form of declaration in Form 7 on which the returning officer has filled in the full name of the elector and the names of the area and the ward (if any) and the number (if any) given to the elector’s application or registration as referred to in this Division; and
- (d) if the elector’s name is not on the roll of electors, deliver or send to the elector also an envelope containing a form of declaration in Form 12 on which the returning officer has filled in the full name of the elector and the names of the area and the ward (if any).

**1995—No. 300**

(3) Ballot-papers and envelopes delivered or sent under this clause to a non-resident general postal voter are to be delivered or sent to the residential address of that elector.

**Note.** The Electoral Commissioner can (under section 296 (6) of the Act) determine a procedure for the notification of other electoral officials as to the issue of postal ballot-papers.

- (s) by omitting from clause 50 (2) (c) (ii) the words “, address and roll number of the applicant” and by inserting instead the words “, roll number and (if it appears on the roll) the address of the applicant”;
- (t) by inserting after clause 62 the following clause:

**Display of group voting tickets**

62A. (1) The returning officer must cause at least one poster showing all the group voting tickets registered for the election to be prominently displayed at each polling-place, and at every other place at which a person is entitled to vote before polling day (while voting is taking place there).

- (2) A poster is to be so prepared that:
  - (a) group voting tickets are displayed in vertical columns; and
  - (b) the tickets are displayed in the columns in the same order as the order on the ballot-papers of the groups concerned; and
  - (c) tickets lodged by the same group are displayed in the same column; and
  - (d) each group voting ticket is identified in the same manner as the group concerned is identified on the ballot-papers (and not otherwise).

(3) If a group has more than one group voting ticket, the tickets relating to that group are to be displayed in the order indicated by the candidates in the group when lodging those tickets.

- (u) by inserting after clause 65 (1) the following subclause:
  - (1A) Despite subclause (1) (b), (c) and (d), if candidates’ names are included in a group, the candidates (or any one of them) may, by instrument in writing signed by one or more of those candidates, only appoint scrutineers (including relief scrutineers) so that the entire group has no more than one scrutineer at each of the places referred to in subclause (1) (b), (c) and (d).
- (v) by omitting from clause 65 (2) the matter “subclause(1)” and by inserting instead the matter “this clause”;

- (w) by omitting from clause 71 (1) the words “an officer or official referred to in that section”, and by inserting instead the words “the returning officer, substitute returning officer or presiding officer”;

  - (a) the elector has failed to record a vote on it in the manner directed on it; or
- (z) by omitting clause 73 (2) and (3) and by inserting instead the following subclauses:
  - (2) Despite subclause (1), a ballot-paper of an elector at an election in which only one candidate is to be elected from 2 candidates is not informal merely because a tick or a cross has been placed in one square and the other square has been left blank. In such a case the tick or the cross is to be treated as a first preference.
  - (3) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because a preference (other than a first preference) has been repeated or omitted so long as the ballot-paper shows the minimum number of preferences required by the directions.
- (aa) by omitting from clause 75 (a) the words “copies of applications for registration as a general postal voter” and by inserting instead the words “the list, copy of the register, and signature indications, of general postal voters”;

- (ac) by inserting in clause 78 (1) after the words “signatures of” the word “general”;
- (ad) by omitting clause 80 and by inserting instead the following clause:

**Double candidature: candidate elected as mayor**

80. (1) If, in any election, one or more of the candidates for election as councillor for a ward in an area (or for an area) are also candidates for election as mayor of the area, the counting of votes in the election of the mayor is to be completed, and the result obtained, before any distribution of preferences in the election of councillors.

(2) Then the count in the election of councillors is to continue, treating the person who has already been elected as mayor as not being a candidate for election as councillor.

(3) Each preference indicated on a ballot-paper in the election of councillors for the person elected as mayor is disregarded and any subsequent preferences are treated as if the numbers representing them had been reduced by one.

(ae) by omitting clause 84 (4) and by inserting instead the following subclause:

(4) The general manager of a council must, on application to the council by any person, deliver or send to the person a copy of the written declaration.

(af) by omitting from clause 112 (b) the words “copies of the applications for registration as a general postal voter” and by inserting instead the words “indications forwarded to the returning officer as to the signatures of general postal voters”;
