**EXPLANATORY NOTE**

The object of this Regulation is to amend the Maritime (Short Description of Offences) Regulation 1987 consequent on the dissolution of the Maritime Services Board on 1 July 1995 by the Ports Corporatisation and Waterways Management Act 1995. The functions of the Board have largely been taken over by the Minister for Ports. Accordingly, this Regulation replaces references to the Board and officers of the Board with references to the Minister and officers of the Minister.

This Regulation is made under section 145B (Short description of certain offences) of the Justices Act 1902.
