**EXPLANATORY NOTE**

At present the liquor licence fee for the casino must be paid before the licensing period commences (16 January in each year) or be paid in 2 instalments (the first being payable before the licensing period commences and the second being payable within 4 months after that commencement). The object of this Regulation is to add the option of paying the fee in 6 equal (or approximately equal) instalments, payable on or before the 15th of January, February, March, April, May and June. As a result, the payment options mirror the options available for the payment of liquor licence fees under the Liquor Act 1982.

This Regulation is made under the Casino Control Act 1992, including section 170 (the general regulation making power) and section 89 (Application of Liquor Act 1982).
