Motor and General Traffic Amendment (Disabled Persons) Regulation 1996

under the
Traffic Act 1909

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Traffic Act 1909*.

CARL SCULLY, M.P.,
Acting Minister for Roads

Explanatory note

The object of this Regulation is to extend the special parking concession scheme for disabled persons so that it covers persons with temporary mobility disabilities. The scheme at present covers persons who are unable to walk, or can only walk short distances, because of permanent loss of the use of one or both legs or because of some other permanent handicap. In order to more accurately reflect the scope of the parking concession scheme for persons with mobility disabilities, this Regulation also provides that the authority issued to disabled persons will be known as a “mobility parking scheme authority”.

This Regulation is made under the *Traffic Act 1909*, including section 3 (the general regulation making power).
