# **Motor Traffic Amendment (Speed Limit Signs) Regulation 1996**

under the  
Traffic Act 1909

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Traffic Act 1909*.

**CARL SCULLY, MP**  
Acting Minister for Roads

## **Explanatory note**

The object of this Regulation is to change signs relating to school zones from being traffic control signs to being speed limit signs. This will result in more serious penalties applying for a breach of the speed limit indicated on such a sign.

The Regulation also prescribes signs indicating local traffic zones as speed limit signs and enables such signs to be erected so as to indicate the speed limit applicable within a network of public streets.

A minor change to the existing speed limit sign is also included.

This Regulation is made under the *Traffic Act 1909*, including section 3 (the general regulation-making power) and section 4A.
