Explanatory note

The object of this Order is to repeal the *Totalizator (Off-course Betting) Distribution of Commission—Race-Meetings and Other Events Order 1996*. The effect is to vary the percentages prescribed as the percentages of money in a totalizator conducted by the Totalizator Agency Board that must be distributed as dividends or prize money, that must be paid as commission to the Minister to be credited to the Consolidated Fund and that may be retained by the Board as commission. The new Order provides for the deduction of lower commission rates than at present in respect of events between contestants or teams where there can be only two outcomes. The variations made by the new Order do not relate to events at a race-meeting on a race-course.

This Order is made under sections 13B and 13C of the *Totalizator (Off-course Betting) Act 1964*.
