THREATENED SPECIES CONSERVATION ACT 1995 No 101
Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee constituted under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of animal in Schedule 1 to that Act and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Camaenidae

Meridolum corneovirens (Pfeiffer, 1851) a land snail

The final determination to insert this species in Schedule 1 has been made because the Scientific Committee is of the opinion that this species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 28th day of July 1997.

Dr Chris Dickman
Chairperson Scientific Committee

Annexure "A"

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 1 in alphabetical order under the heading "Animals" and the sub-headings "Invertebrates", "Molluscs" and "Camaenidae" the matter "*Meridolum corneovirens* (Pfeiffer, 1851) a land snail".
