## THREATENED SPECIES CONSERVATION ACT 1995 No 101

### Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee constituted under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of vertebrate animals, provisionally listed in Schedule 1 to that Act, in that Schedule and that Schedule is amended accordingly:

#### **Amphibians**

##### **Myobatrachidae**

*Neobatrachus pictus* Peters, 1863      Painted Burrowing Frog

#### **Reptiles**

##### **Scincidae**

*Egernia margaretae* Storr, 1968

##### **Typhlopidae**

*Ramphotyphlops endoterus* (Waite, 1918)

#### **Mammals**

##### **Vombatidae**

*Lasiorhinus latifrons* (Owen, 1845)      Southern Hairy-nosed Wombat

##### **Burramyidae**

*Cercartetus concinnus* (Gould, 1845)      Western Pygmy Possum

The final determination to insert these species in Schedule 1 has been made because the Scientific Committee is of the opinion that these species are likely to become extinct in nature in New South Wales unless the circumstances and factors threatening their survival cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

**1997 No 390**

Threatened Species Conservation Act 1995 No 101
