Waste Minimisation and Management Amendment (Contributions) Regulation 1998

under the

Waste Minimisation and Management Act 1995

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Waste Minimisation and Management Act 1995*.

PAM ALLAN, M.P.,

Minister for the Environment

Explanatory note

Under section 72 of the *Waste Minimisation and Management Act 1995*, the occupier of a licensed waste facility is required to pay a contribution in respect of each tonne of waste that is received at the facility. The contribution is currently \$10 per tonne in the case of waste that is received (or that has been generated) in the Sydney metropolitan area, and \$4 per tonne in the case of waste that is received (or that has been generated) in the extended regulated area, being the area generally comprising the Central Coast, Hunter and Illararra regions.

The object of this Regulation is to increase the contribution to \$17 in the case of waste received or generated in the Sydney metropolitan area, and to \$8 in the case of waste received or generated in the extended regulated area.

This Regulation is made under the *Waste Minimisation and Management Act 1995*, including sections 72 and 87 (the general regulation making power).
