## THREATENED SPECIES CONSERVATION ACT 1995 No 101

### Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Plants

##### Gyrostemonaceae

*Gyrostemon thesioides* (Hook. f.) A. S. George

The final determination to insert this species in Schedule 1 has been made because the Scientific Committee is of the opinion that the species might already be extinct, but it is not presumed extinct and is therefore eligible for listing as an endangered species.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 28th day of August 1998.

Dr Chris Dickman  
Chairperson  
Scientific Committee
