THREATENED SPECIES CONSERVATION ACT 1995 No 101

Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following population in Part 2 of Schedule 1 to that Act (Endangered populations) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Phascolarctidae

<i>Phascolarctos cinereus</i> (Goldfuss, 1817)	Koala in the Pittwater Local Government Area
--	--

The final determination to insert this population in Schedule 1 has been made because the Scientific Committee is of the opinion that the population's numbers have been reduced to such a critical level that it is in immediate danger of extinction and that the population is of significant conservation value.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 17th day of November 1998.

Dr Chris Dickman

Chairperson
Scientific Committee

1998 No 646

Threatened Species Conservation Act 1995 No 101—Final
Determination

Annexure "A"

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 2 in alphabetical order under the heading "Animals" and the sub-headings "Vertebrates" and "Mammals" the matter:

Phascolarctidae

<i>Phascolarctos cinerus</i> (Gold fuss. 1817)	Koala in the Pittwater Local Government Area
---	---
