## THREATENED SPECIES CONSERVATION ACT 1995 No 101

### Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following ecological community in Part 3 of Schedule 1 to that Act (Endangered ecological communities) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Endangered ecological communities

Elderslie Banksia Scrub Forest (as described in the final determination of the Scientific Committee to list the ecological community)

The final determination to insert this ecological community in Part 3 of Schedule 1 has been made because the Scientific Committee is of the opinion that the Elderslie Banksia Scrub Forest is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 15th day of February 1999.

Chairperson  
Scientific Committee

---

#### Annexure "A"

**Schedule 1 to the *Threatened Species Conservation Act 1995*** is amended by inserting in Part 3 in alphabetical order the following matter:

Elderslie Banksia Scrub Forest (as described in the final determination of the Scientific Committee to list the ecological community)
