### Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination:

- (a) to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered Species), and
- (b) as a consequence, to omit reference to that species of plant from Schedule 2 to that Act (Vulnerable species)

and, accordingly, those Schedules are amended as set out in Annexure "A" to this Notice:

#### Plants

Eriocaulaceae

*Eriocaulon australasicum* (F. Muell.) Korn.

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species might already be extinct in New South Wales but is not presumed extinct.

Copies of the final determination may be inspected at:
