

New South Wales

Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination:

- (a) to insert the following species of amphibian in Part 1 of Schedule 1 to that Act (Endangered species), and
- (b) as a consequence, to omit reference to that species of amphibian from Schedule 2 to that Act (Vulnerable species)

and, accordingly, those Schedules are amended as set out in Annexure "A" to this Notice:

Amphibians

Myobatrachidae

Mixophyes iteratus Straughan, 1968 Giant Barred Frog

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 30th day of July 1999.

1999 No 423

Threatened Species Conservation Act 1995 No 101—Final Determination

Dr Chris Dickman

Chairperson
Scientific Committee

Annexure “A”

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 1 in alphabetical order under the heading “Animals” and the subheadings “Vertebrates”, “Amphibians” and “Myobatrachidae” the matter:

Mixophyes iteratus Straughan, 1968 Giant Barred Frog

Schedule 2 to the *Threatened Species Conservation Act 1995* is amended by omitting the following matter under the heading “Animals” and the subheadings “Vertebrates”, “Amphibians” and “Myobatrachidae”:

Mixophyes iteratus Straughan, 1968 Giant Barred Frog
