## Threatened Species Conservation Act 1995 No 101

### Notice of Final Determination and Amendment of Schedule 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Schedule 2 (Vulnerable species) to that Act and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Plants

Myrtaceae

*Melaleuca deanei* F. Muell.

The final determination to insert this species in Schedule 2 has been made because the Scientific Committee is of the opinion that the species is likely to become endangered unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
Hurstville NSW 2220
