# **Trans-Tasman Mutual Recognition (New South Wales) Temporary Exemptions Amendment Regulation 1999**

under the

**Trans-Tasman Mutual Recognition (New South Wales) Act 1996**

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Trans-Tasman Mutual Recognition (New South Wales) Act 1996*.

BOB CARR,

Premier

## **Explanatory note**

The object of this Regulation is to declare certain provisions of the *Electricity Safety (Equipment Efficiency) Regulation 1999* to be exempt from the operation of the 1996 Trans-Tasman Mutual Recognition Arrangement. The provisions to be exempted deal with energy efficiency performance criteria or energy efficiency requirements for electrical articles. The exemption provided by this regulation is temporary (ie it will operate for no longer than 12 months) and only has effect if the laws being exempted are substantially for the purpose of protecting the health and safety of persons in New South Wales, or preventing, minimising or regulating environmental pollution in New South Wales.

This Regulation is made under section 5 of the *Trans-Tasman Mutual Recognition (New South Wales) Act 1996*.

This Regulation relates to matters arising under legislation that is substantially uniform or complementary with legislation of the Commonwealth and other States.
