Dairy Industry Amendment (Farm Gate Deregulation Assistance Fund) Regulation 1999

under the

Dairy Industry Act 1979

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Dairy Industry Act 1979*.

RICHARD AMERY, M.P.,

Minister for Agriculture

Explanatory note

The *Dairy Industry Regulation 1995* authorises certain amounts to be deducted from the price paid to dairy farmers for milk to enable the funding of the Fresh NSW Schools Milk Program.

The object of this Regulation is to enable those amounts to be paid instead into a Farm Gate Deregulation Assistance Fund to be established by the Dairy Corporation.

The Regulation also updates references to the New South Wales Dairy Corporation to Safe Food New South Wales, and repeals out of date provisions, as a consequence of the enactment of the *Food Production (Safety) Act 1998*.

This Regulation is made under the *Dairy Industry Act 1979*, including section 56 and section 103.
