

New South Wales

Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plants in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Plants

Epacridaceae

Leucopogon fletcheri subsp. *fletcheri* Maiden & E. Betche

Proteaceae

Grevillea parviflora subsp. *supplicans* R.O. Makinson ms

The final determination to insert these species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that these species are likely to become extinct in nature in New South Wales unless the circumstances and factors threatening their survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 3rd day of December 1999.

Assoc. Prof. Paul Adam

Deputy Chairperson
Scientific Committee

1999 No 711

Threatened Species Conservation Act 1995 No 101—Final Determination
