Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination:

- (a) to insert the following species of bird in Part 1 of Schedule 1 to that Act (Endangered Species), and
- (b) as a consequence, to omit reference to that species of bird from Schedule 2 to that Act (Vulnerable species),

and, accordingly, those Schedules are amended as set out in Annexure "A" to this Notice:

Birds

Psittacidae

**Lathamus discolor* (Shaw, 1790) Swift Parrot

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the numbers of the species have been reduced to such a critical level, and its habitats have been so drastically reduced, that it is in immediate danger of extinction.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.
