Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Plants

Orchidaceae

Diuris arenaria D.L. Jones

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 16th day of May 2000.
