## Threatened Species Conservation Act 1995 No 101

### Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following population of animal in Part 2 of Schedule 1 to that Act (Endangered populations) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Animals

#### Vertebrates

#### Mammals

#### Petauridae

*Petaurus norfolcensis* (Kerr 1792)

Squirrel Glider in the Wagga  
Wagga Local Government Area

The final determination to insert this population in Part 2 of Schedule 1 has been made because the Scientific Committee is of the opinion that its numbers have been reduced to such a critical level and its habitat has been so drastically reduced that it is in immediate danger of extinction, that it is not a population of a species already listed in Schedule 1, and it is disjunct and at or near the limit of its geographic range.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

**2000 No 359**

Threatened Species Conservation Act 1995 No 101—Final Determination

---

Signed at Sydney, this 23rd day of June 2000.

Dr Chris Dickman

Chairperson  
Scientific Committee

**Annexure “A”**

**Schedule 1** to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 2 under the heading “Animals” and the sub-headings “Vertebrates”, “Mammals” and “Petauridae” the matter:

*Petaurus norfolcensis* (Kerr 1792)

Squirrel Glider in the Wagga  
Wagga Local Government Area
