

Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following population of bird in Part 2 of Schedule 1 to that Act (Endangered populations) and, accordingly, that Schedule is amended as set out in Annexure “A” to this Notice:

Animals

Vertebrates

Birds

Cacatuidae

<i>Callocephalon fimbriatum</i> (Grant)	Gang-gang Cockatoo population in the Hornsby and Ku-ring-gai Local Government Areas
---	---

The final determination to insert this population in Part 2 of Schedule 1 has been made because the Scientific Committee is of the opinion that the population’s numbers have been reduced to such a critical level, and its habitat has been so drastically reduced, that it is in immediate danger of extinction, that it is not a population of a species already listed in Schedule 1, and that it is otherwise of significant conservation value.

Copies of the final determination may be inspected at:

The National Parks Centre
102 George St
The Rocks
Sydney

and at all District Offices of the National Parks and Wildlife Service during business hours.

2001 No 139

Threatened Species Conservation Act 1995 No 101—Final Determination

Signed at Sydney, this 25th day of January 2001.

Dr Chris Dickman
Chairperson
Scientific Committee

Annexure “A”

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 2 in alphabetical order under the heading “Animals” and the sub-headings “Vertebrates”, “Birds” and “Cacatuidae” the matter:

<i>Callocephalon fimbriatum</i> (Grant)	Gang-gang Cockatoo population in the Hornsby and Ku-ring-gai Local Government Areas
---	---
