

New South Wales

# Threatened Species Conservation Act 1995 No 101

## Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of animal in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

### Animals

#### Invertebrates

##### Annelida

##### Oligochaeta

##### Opisthopera

##### Megascolecidae

*Pericryptodrilus nanus* Jamieson 1977

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The National Parks Centre  
102 George St  
The Rocks  
Sydney

and at all District Offices of the National Parks and Wildlife Service during business hours.

**2001 No 198**

Threatened Species Conservation Act 1995 No 101—Final Determination

---

Signed at Sydney, this 28th day of February 2001.

Dr Chris Dickman  
Chairperson  
Scientific Committee

**Annexure “A”**
