## Threatened Species Conservation Act 1995 No 101

### Notice of Final Determination and Amendment of Schedule 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of animal in Schedule 2 to that Act (Vulnerable species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Animals

#### Vertebrates

#### Mammals

Pteropodidae

*Pteropus poliocephalus* Temminck, 1825      Grey-headed Flying-fox

The final determination to insert this species in Schedule 2 has been made because the Scientific Committee is of the opinion that the species is likely to become endangered unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The National Parks Centre  
102 George St  
The Rocks  
Sydney

and at all District Offices of the National Parks and Wildlife Service during business hours.
