

New South Wales

Water Management (General) Amendment (Controlled Activity Approval Exemption) Regulation 2009

under the

Water Management Act 2000

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Water Management Act 2000*.

PHILLIP COSTA, MP
Minister for Water

Explanatory note

The object of this Regulation is to exempt a person from the requirement under section 91E of the *Water Management Act 2000* to hold a controlled activity approval in order to carry out a controlled activity in, on or under waterfront land if that person carries out development in accordance with the *Oran Park and Turner Road Waterfront Land Strategy 2009*. Controlled activities include the erection of a building, carrying out works, removing or depositing material on land and carrying out work or any other activity that affects the quantity or flow of water in a water source.

This Regulation is made under the *Water Management Act 2000*, including section 400 (the general regulation-making power).

2009 No 332
