42F Meaning of “unsatisfactory” in relation to professional performance

The Board may have the professional performance of a nurse or midwife assessed under this Part if any matter comes to its attention that indicates that the professional performance of the nurse or midwife, or any aspect of the nurse’s or midwife’s professional performance, is unsatisfactory. This is not limited to matters that are the subject of a complaint or notification to the Board.

42H Serious matters not to be referred for assessment
