- (3) A purchaser may not rescind a contract or option under subclause (1) (b) or (2) unless:

19 Effect of notice of rescission of contract or option

- (2) A notice of rescission of an option to purchase residential property rescinds the option as from the time the option was granted and, in that event, any consideration paid in relation to the option, and any deposit paid in relation to the purchase of the property, are to be refunded.

- (3) The rescission of the contract or option does not render the vendor liable to pay to the purchaser, or the purchaser liable to pay to the vendor, any sum for damages, costs or expenses.
- (4) However, subclause (3) does not affect any liability under the contract or option in relation to:
 - (a) the payment of damages, costs or expenses arising out of a breach of any term or condition of the contract or option, or
