8. The Governor shall appoint the superintendent, who, when so appointed, shall be a superintendent of police. The Inspector-General shall appoint the inspectors from the members of the police force.

Superintendent to control inspectors.

9. The superintendent, subject to the control of the Inspector-General, shall control the inspectors in the performance of their duties under this Act.

Absence of the superintendent.

10. Whenever the superintendent is absent from his duties by reason of illness or other cause the Inspector-General may appoint a deputy, and during such absence such deputy shall have the powers and shall perform the duties of, and for the purposes of this Act be deemed to be, the superintendent.

Superintendent or inspector not to derive profit from making, adjusting, or selling weights or measures.

11. A superintendent or inspector shall not derive any profit from or be employed in making, adjusting, or selling weights, measures, or weighing instruments :

Provided that, with the approval of the Inspector-General, an inspector may, outside the metropolitan police district, adjust any weight submitted to him for verification and charge a fee for the same, but in no case shall this be done without sufficient cause ; such fee shall be as prescribed in Schedule A.

George V,
No. 10.

PART II.

STANDARDS AND UNITS.

Standards.

12. The weights and measures now deposited in the Treasury shall, respectively, until removed therefrom for the purpose of substituting standards to be provided in pursuance of the following sections, be standard weights and measures of New South Wales.

Standards
now in
Treasury.

13. Specimens of weights and measures of the standard of the United Kingdom of Great Britain and Ireland, as described in Schedule B, shall be provided by the Minister and deposited in the Treasury by the authority of the Governor; such weights and measures shall, subject to this Act, be standard weights and measures of New South Wales.

Standards in
Schedule B to
be provided.

14. If any standard weight or measure is lost, destroyed, defaced, or injured, another weight or measure of the same standard shall, with the approval of the Governor, be provided by the Minister in place of the one so lost, destroyed, defaced, or injured. Such weight or measure shall be deposited in the Treasury, and shall, subject to this Act, be a standard weight or measure of New South Wales.

Replacing
standards
lost,
destroyed,
defaced, or
injured.

15. The Governor, by proclamation in the Gazette, may declare that any standard of New South Wales shall cease to be such standard, and may revoke or alter any such proclamation.

When stand-
ards cease to
be standards.

16. The Governor may cause such new denominations of standards as may appear to him to be required in addition to those hereinbefore in this Act mentioned to be provided and deposited in the Treasury, and may prescribe the fees for adjusting, testing, verifying, and stamping the same. Such new denominations of standards when proclaimed by the Governor in the Gazette shall be standard weights and measures of New South Wales.

New denomi-
nations of
standards.*Departmental*

George V,

No. 10.

Departmental
standards.*Departmental standards.*

17. The Minister shall provide copies of the standard weights and measures of New South Wales. Such copies shall be verified as prescribed with the standards in the Treasury, and shall be known as the "departmental standards," and be deposited in the office of the superintendent.

Departmental standards shall be renewed when necessary.

*Local standards.*Local
standards.

18. (1) The Minister shall provide such copies of the departmental standards as may be necessary.

Each such copy, except where its size renders it impracticable, shall be legibly stamped with such letters and figures as are commonly used to signify the name or mark of the Sovereign, together with "S.W." for standard weight or "S.M." for standard measure, as the case may be, and the denomination of such weight or measure.

Their veri-
fication.

(2) Such copies shall be known as "local standards," and, after being verified as prescribed with the departmental standards, shall be transmitted to the inspectors, and shall be safely and securely kept by them.

Periodical
verification
of local
standards.

19. A local standard of weight shall not be deemed legal nor be used for the purposes of this Act unless it has been verified or reverified within ten years before the time at which it is used.

*Falsifying standard.*Penalty for
falsifying
standard.

20. Any person who falsifies, injures, or destroys any standard shall be liable to a penalty not exceeding one hundred pounds.

*Units.*Units of
weight and
measure.

21. The units of weight and measure shall be those described in Schedule C.

George V,
No. 10.

PART III.

THE LAW OF WEIGHTS AND MEASURES.

Sale of goods.

22. (1) Every contract, bargain, sale, purchase, or dealing made or had in New South Wales for any work, goods, wares, or merchandise, or other thing which has been or is to be done, sold, purchased, delivered, carried, or agreed for by weight or measure, shall be deemed to be made and had according to the standard weights or measures ascertained by this Act, or to some multiple or part thereof, and if not so made or had shall be void. All tolls or duties charged or collected according to weight or measure shall be charged and collected according to one of the abovementioned standards, or to some multiple or part thereof.

Contracts and sales to be according to standard weights and measures.
Act, 1878, s. 19.
41 & 42 Vic., c. 49, s. 19.

Such contract, bargain, sale, purchase, or dealing and collection of tolls or duties as is in this section mentioned is in this Act referred to under the term "trade."

Definition of "trade."

(2) No person shall sell or buy by any denomination of weight or measure other than the standard weights or measures, or some multiple or part thereof.

Sale to be by standards.

(3) This section shall not apply to a contract, bargain, sale, purchase, or dealing in connection with the importation or export of goods, wares, or merchandise from or to a country where other than the standard weights or measures, ascertained by this Act, are used.

Foreign contracts and sales.

23. (1) All articles sold by weight shall be sold by avoirdupois weight, except that—

Articles to be sold by avoirdupois.

- (a) gold, silver, and articles made thereof, platinum, and other precious metals may be sold by the ounce troy, or by any decimal part of such ounce, or by pennyweights or grains;
- (b) diamonds and other precious stones shall be sold by the metric carat, or by any decimal part of such carat; and
- (c) drugs, when sold by retail, may be sold by apothecaries weight.

Act, 1878, s. 20.

(2) All contracts, bargains, sales, and dealings in relation thereto shall be deemed to be made and had by such weights and, where so made or had, shall be valid.

24.

- George V,
No. 10.** **24.** In any contract for the sale by the bushel of any articles mentioned in Schedule E, the bushel shall be determined by weighing; the weight equivalent to a bushel of any such article being that stated in the said Schedule.
- Weight of bushel. (Canada.)
- 25.** (1) No person shall sell by retail any article by weight or measure unless by net weight or measure.
- Sale by net weight or measure.
- (2) Every person delivering to any purchaser, at any place other than the premises of the seller, any article so sold, shall deliver an invoice or delivery note showing the net weight or measure of such article, provided that this shall not apply to bread, or to any article weighed or measured at the premises of the purchaser.
- Invoices and delivery notes.
- (3) No person shall sell or offer or expose for sale by retail any article enclosed in a package unless the net weight or measure of the article is legibly written or printed upon the outside of the package, or upon a label firmly attached thereto.
- Package of goods to have weight or measure printed thereon.
- But this subsection shall not apply to articles weighed or measured, before or at the time of sale, in the presence of the purchaser.
- (4) This section shall not apply to any article—
- Exemptions.
- (a) exempted by the regulations; or
- (b) exposed for sale or sold by weight in a package if the weight of such article is subject to variation by reason of climatic influences, and the package bears a conspicuous label or inscription showing the words “Net weight when packed”, together with such weight.
- (5) In the case of any liquors paying excise or customs duties, the measures set forth in any Act dealing with such liquors shall be held to satisfy the requirements of this section in regard to measure.
- Liquors.
- (6) Weights and measures closely approximating those indicated on the invoice or delivery note, label, or inscription will be allowed, when and as prescribed by regulations under this Act, either generally or with respect to particular articles.
- Approximate weights and measures.
- (7) This section shall not take effect until the expiration of one year from the commencement of this Act.
- Postpone-ment of operation of section.

26. Where the net weight or measure of an article sold is stated in an invoice or delivery note, or is written or printed on a package enclosing the article, and such net weight or measure is not correctly so stated, written, or printed, the seller shall be guilty of an offence against this Act :

**George V,
No. 10.**

Where net weight or measure is not correctly stated.

Provided that in any prosecution for a contravention of this section it shall be sufficient defence if the seller—

- (a) produces from the person from whom he purchased such article a written guarantee that the weight or measure written or printed on the package is correct; and
- (b) proves that he sold such article in the same state as when purchased by him,

subject to the following conditions—

- (c) that the person giving the guarantee must be resident in New South Wales, or, if a company, must have a registered office in New South Wales; and
- (d) the guarantee must state the name and the place of business of the guarantor, and the name under which he trades.

The form of guarantee under this section may be prescribed by regulation.

Any person who gives a guarantee which is false, shall in addition to the penalty for the sale of any articles in contravention of this Act, be guilty of an offence against this Act.

27. (1) Where any person in a shop or other place, or in any vehicle, pack, basket, or other receptacle, offers or exposes for sale, by retail, by weight or measure, any article, he shall have in a convenient place, capable of being easily seen by the purchaser, a suitable weighing instrument or measure, with the necessary weights for weighing such article; and shall, at the request of a purchaser of any such article sold by retail, by weight or measure, weigh or measure it in the presence of the purchaser.

Provision for weighing or measuring.

(2) If the article is less than the due weight or measure, the person selling the same shall be guilty of an offence against this Act.

weights, &c.

Fraud in
using weight
or measure.
Act, 1878,
s. 26.

28. No person shall, by means of words, description, or other indication, direct or indirect, make any false declaration or statement, or wilfully mislead any person as to the number, quantity, measure, gauge, or weight of any articles sold or delivered by him, or sell or cause to be sold or delivered anything by weight or measure short of the quantity ordered or purchased.

29. Where any fraud is wilfully committed in the using of any weight, measure, or weighing or measuring instrument, the person committing such fraud, and every person party to the fraud, shall be guilty of an offence against this Act, and the weight, measure, or instrument shall be seized.

PART IV.

VERIFICATION AND STAMPING.

Verification
and stamping.

30. (1) Every weight, measure, and weighing or measuring instrument used for trade, not being a weight, measure, or instrument exempted by the regulations shall be stamped with a mark of verification in pursuance of this Act.

(2) Provided that—

- (a) for the purposes of this section, a weight or measure duly verified and stamped in pursuance of the Act hereby repealed shall, if it is correct, be deemed, for the period of one year from the commencement of this Act, to be stamped with a mark of verification in pursuance of this Act; and
- (b) the operation of this section is suspended for one year from the commencement of this Act in the case of weighing and measuring instruments which, before such commencement, might lawfully have been used without being stamped as aforesaid, if the same are correct.

31.

31. (1) Every weight, measure, and weighing or measuring instrument used for trade, not being a measure made of glass, shall be produced at the office of an inspector, and reverified and stamped every two years. **George V,
No. 10.**
Reverification and re-stamping.

(2) Provided that the Governor, by regulation, may exempt from the operation of this section, subject to such conditions as he may impose, any places named therein which are situated at a greater distance than twenty miles from the office of an inspector.

(3) Provided also that the Governor may make regulations for the more frequent reverification and stamping of spring balances, computing scales, and weighbridges, and of weighing or measuring instruments for which a charge is made for use by the public, and of weighing instruments used at collieries. Such regulations may require the owners of such weighing instruments to provide such stamped weights and such labour as the inspector considers necessary for the proper conduct of such verification.

(4) In the case of a weighing or measuring instrument which, by reason of its being fixed or of its being so heavy that it cannot conveniently be moved, it shall be a sufficient compliance with this section if arrangements are made to the satisfaction of an inspector for the reverification and stamping of the instrument within the period prescribed.

32. No person shall use, or have in his possession for use for trade, any weight, measure, or weighing or measuring instrument which is not stamped as required by this Act, or which is incorrect or unjust. Penalty for using unstamped weights, &c.

33. No person shall use for trade any weight, measure, or weighing or measuring instrument which has become defective in consequence of wear or accident, or has been mended or repaired, until the same has been re-stamped. Any person mending or repairing such defective weight, measure, or instrument shall destroy any existing stamp thereon. Using defective or repaired weights, &c., until re-stamped.

34. The fees for testing, verifying, or stamping weights, measures, and weighing or measuring instruments shall be those prescribed in Schedule D. Fees for verifying and stamping.

George V,
No. 10.

PART V.

SALE OF COAL AND FIREWOOD.

Sale to be
by weight
unless by
consent of
purchaser.

35. All coal and firewood shall be sold by weight, provided that in the case of quantities exceeding five hundredweights, if the written consent of the purchaser be obtained, it may be sold otherwise as agreed.

Written
consent of
purchaser to
be produced.

36. The driver of any vehicle conveying coal or firewood in quantities exceeding five hundredweights, which the purchaser has agreed shall be sold otherwise than by weight, shall carry the purchaser's written consent to such sale, and shall produce it on demand to any inspector.

Application
of last two
preceding
sections.

37. The last two preceding sections, so far as they relate to firewood, shall apply only to the metropolitan and Parramatta police districts, but may be extended to such other places as the Governor, by proclamation, may notify.

Fraudulent
sales.

38. No person shall—

- (a) sell coal or firewood by description which is false as to the sort of coal or firewood sold ; or
- (b) sell or deliver wet coal or firewood with intent to defraud the purchaser as to the weight of coal or firewood sold or delivered ; or
- (c) sell or deliver coal or firewood short of the quantity purchased, or of the quantity purported to be sold or delivered ; or
- (d) make any false statement as to the weight of any coal or firewood ; or
- (e) being in charge of a vehicle, wilfully make any false statement as to the tare weight of the vehicle, or wilfully do any act by which either the seller or purchaser of any coal or firewood is defrauded.

English Act,
1889, s. 23.

Regulations

39. The Governor may make regulations for any of the subjects following :—

- (a) The sale, weighing, and delivery of coal and firewood, and the provision and use of weighing instruments in connection therewith.
- (b) The issue by sellers, to drivers of vehicles conveying coal or firewood, of weight tickets, and the carrying and production of such tickets and delivery of same to purchasers.

(c)

- (c) The weighing of any vehicle conveying coal or firewood, or the load thereon, or any part of such load, on demand by a purchaser or an inspector. George V,
No. 10.
- (d) Generally for other matters for carrying out the provisions of this Part.
- (e) For imposing a penalty not exceeding ten pounds for any breach of any regulation.

PART VI.

SCHEDULE C.

UNITS OF WEIGHT AND MEASURE.

Measures of weight.

The standard pound shall be the legal standard measure of weight, English Act, and of measure having reference to weight, and shall be the only unit or standard measure of weight from which all other weights, and all measures having reference to weight, shall be ascertained.

One-sixteenth part of the standard pound shall be an ounce, and *Ibid.* one-sixteenth part of such ounce shall be a dram, and one seven-thousandth part of the standard pound shall be a grain.

A hundredweight shall consist of one hundred and twelve pounds, English and New South Wales Act, and a ton shall consist of twenty such hundredweights.

Provided that a ton of flour, bran, pollard, sharps, semolina, wheat-meal, or other milled product of wheat shall consist of 2,000 pounds.

Four hundred and eighty grains shall be an ounce troy or apothecaries.

Measures of capacity.

The unit or standard measure of capacity from which all other English Act, measures of capacity, as well for liquids as for dry goods, shall be derived, shall be the gallon, containing ten standard pounds weight of distilled water weighed in air against brass weights, with the water and air at the temperature of sixty-two degrees Fahrenheit's thermometer, and the barometer at thirty inches.

The quart shall be the fourth part of the gallon, and the pint shall be the eighth part of the gallon. Two gallons shall be a peck, and eight gallons shall be a bushel, and eight such bushels shall be a quarter.

Measures of length.

The standard yard shall be the only unit or standard measure of *Ibid.* extension, from which all other measures of extension, whether linear, superficial, or solid, shall be ascertained.

Weights and Measures Act.

George V, One-third of the standard yard shall be a foot, and the twelfth part
No. 10. of such foot shall be an inch, and the rod, pole, or perch in length shall
English Act. be five such yards and a half; and the chain shall contain twenty-two
such yards, and the mile one thousand seven hundred and sixty such
yards.

Ibid. The rood of land shall contain one thousand two hundred and ten
square yards, according to the standard yard, and the acre of land shall
contain four thousand eight hundred and forty such square yards, being
one hundred and sixty square rods, poles, or perches.
